IN YOUR FACE!

JUNE 2004 #86

Welcome to another big jug jamboree from *Gent*! We've got an array of eager breasty babes vying to dazzle your dick with their abundant assets and freaky sex action. It's all a titty-loving dude could want and then some—so let's not delay...let's get to meeting these gorgeous gals who want your gunk!

A stacked star needing no introduction is **Windy Leigh**. Her exciting attributes have gained her a legion of fans over the years—not just because of her jugs but for her intense action-packed stage shows and numerous magazine spreads. In her new *Gent* display Windy exhibits bodaciously bad behavior and demonstrates exactly why she's renowned as one of the most exceptional club gals there is!

Exceptional is a term that applies to *Gent*'s regular rod-rider **Cathy Barry**—and her sterling spreads this edition again prove there's no busty brunette as sold on schlong as this Brit bone-banger. It's explicit from the start when Cathy finds herself in the company of three horny studs unable to contain their craving to wrangle her ravishing rack!

Another chick whose cleavage we'd love to cram between is fantasy fox **Chloe Vevrier**. Her monthly *Gent* workout shows off her brimming bustline at its bulging best as she teases her tasty twat with feverish fingers. It'll make you sweat when Chloe spreads to accommodate her deep-delving digits—it sure did us!

If you wondered what became of super-kinky screen star **Holly Body**, we've got the answer—she's *here*! Yes, it's comeback time for the raven-tressed raver and in *Gent* she's got the perfect platform to announce that she's desperate to make male meat beg for her breasty charms. We visited Holly at home and came back with some majorly impactful images that demonstrate how she's not only looking as good as ever, but she's even wilder a wench than before!

Erika Steele ought to be familiar to feature dancer fans. The naughty knocker shaker got guys going on her last appearance over a year ago. But as she says, her peachy posing that time wasn't too wild. Erika rectifies that oversight with as dirty a dildo workout as you'll find. Catch her cute comely curves in her superb spreads and you'll believe!

Mature tail **Air Force Amy** made a blink-and-you'll-miss-it appearance a few years back. Her tasty tatas made a big impression on our readers. The ex-USAF tramp left it late to enter hardcore but this magical MILF means to make a mark with her filthy frolics—starting with this XXX suck-n-fuck climaxing in a bosomy bangeroo that'll get any TF-lover hankering for more of Amy's mammary mayhem!

Ebony eroticist **Caramel** climaxes our lineup with a batch of beaverpics baring her buff bod to the sun as she demands hard outdoor humping. Caramel's a hot booty babe that knows she's got something special and simply loves to share!

Talking nasty is **Vicky Vette**. This swinger-cum-sexvid starlet could well make herself a seriously notorious nasty contender. If you've not yet gotten intimate with this experienced adventuress then Vicky's in-depth interview is as ideal a point to begin as any. This seasoned slut revels in raising a rod—let her work her chesty charms on you!

If that's not sufficient stacked sex action for you then of course all your favorite features are here—*Boob Tube*, *Titty Fiction* and *Tit Licks* each supply those busty sexperiences we all crave while our *First Peaks* pages feature the crème de la crème of brand new talent in the shape of **Jamie**, **Oona** and **Name**, while there's more neighborly nookie courtesy of our cantilevered columnist **Roxanne Rockets**!

And that's the mark of this month's *Gent*, for our stacked sirens never shy away from pushing the boundaries of hardcore hooter excitement to the max. Why? Because they know you guys need their nasty knockers and all the thrilling things they do with them—and that makes 'em feel so good and want to spread the orgasmic joy of giant juicy jugs...And that's an urge *no one* can submerge!

STACKED SHOWSTOPPER!

Dear Gent: Laura and me have been together 5 years. Aside from her big sexy cans what I love about her most is her nonstop appetite for sex. She's not like broads I've known in my life who act hot when they're working on hooking you then develop an allergy to cock once they think they have you. No, Laura's still the hot busty brunette she was when we met at a some business function and who was giving me head in the washroom 30 minutes after I met her.

She's upfront about her sex needs and introduced me to the local swing scene. I'm always proud to accompany her to parties and see every man trip over his stiff dick in his haste to get with her.

The big swinger bash of the year was going down this December past. I wanted Laura to look her best. So I handed her some $$$ and told her to go get something that shows off her huge 38E melons at their finest. Laura was gone the best part of the day. When she got back she hustled into the bedroom to change.

"What do you think, baby?" she said when she came out. My dick answered her! Laura's outfit was a tight shiny number that ended just below her peachy ass. The top was just a couple straps really. Her huge udders exploded out the front. Virtually only her nipples were hid. She looked one fine busty tramp! It's making my dick hard, I told Laura. "Only one thing I can do about

SPARKXXX WILL FLY!

Dear Gent: Lisa (March 2004 ***Gent***) really is every inch the busty cornfed country gal. She'd look so fine laid on a hay bale as the horny farmworkers line up to fuck her thick juicy twat. She looks like she'd easily steals her poppa's rusty pick-up so could can suck off her boyfriend's chubby hard-on in a country lane while the lucky SOB handles her floppy hangers before she chugs his spunky mess.

Seeing her pictures in the March ***Gent*** Lisa immediately reminded me of the juicy-assed chicks I can remember from my early years back in my small town farming community in deepest Iowa. I don't remember any of the girls I fucked then owning tits as gorgeous as Lisa's, though. Or having beautiful gray-blue eyes that you imagine looking up at you in delight after you've popped your rocks over her jugs. 'WOW! No boy's ever done THAT before!' she says, 'But I sure liked it!"

Of course I'm sure Lisa is nothing like that in real life. Probably she's lived in the city her whole life. Probably she's never seen a head of cattle except on TV shows. Most likely she works in computers or something when she's not getting nasty in Gent. But that can't stop this horny old fuck from idle dirty daydreaming.

I enjoyed every wonderful pose she did. The one I keep coming back to is the one where Lisa's standing over us with her pocket rocket embedded in her squishy slit. Seeing her leaning forward with her jugs sagging and stretching down toward me is inspiring as hell. It scores as one of my favorite pictures in years. I think many busty lovers especially like these shots. When you have a busty woman on top of you it's always that enthralling view that sets your pulse racing and hardens your pecker more. Well done for including that pose!

Lisa's a real charmer and no mistake. Thanks for her curvaceous charms. I'm signing off now to go daydream some more about her taking me behind the barn so I can pound my cock to her pillowy tits again, maybe even squeeze into her chubby butt if she's in an agreeable mood. I get a feeling Lisa is going to like that!—*Randall, Tustin CA.*

that!" she smiled, kneeling and unzipping my pants. She looked such a fine slut on her knees with her lips sliding up and down my cock. When I blew Laura swallowed, so as not to mess up her new outfit.

Laura caused a major stir at the party. Her new outfit got guys and chicks looking and lusting from the get go. All night I was getting compliments on how good my woman looked. Laura was loving being the center of attention. Then she always does. Her bouncy melons kept slipping out that skimpy dress. After a while Laura gave up trying to keep them in harness. She sat there on a couch with her melons hung out for air. This one guy sat next to her and copped a feel. Soon he was sucking greedily on an erect teat. Laura knew I was cool with that. She knows I like to watch her.

Laura soon had a guy feeling and sucking each titty. She was getting amazingly turned on. Her hand was playing with her shaved snatch. A regular freaky affair was starting in this room. I had this sweet young swinger newbie come on to me as I watched Laura. Next I knew she was giving me head while Laura told her guys to feed her some dick. She looked at me as she gave these guys wet sloppy head. Seeing her stare me out with her cheeks bulging with cock sent a zap through me.

One of the guys wanted to ball her jugs. Laura pushed them on his pole as he thrust in all her tit-meat. Then the guy unloaded a cum trail all down her jugs. Laura used the head of his dick to smear the cum on her knockers. I got so hot watching I sprayed my load in the newbie's face.

The rest of the night was no less steamy. Laura was wilder than usual. She watched me get with this one broad and midway through she hung her melons in her face. The broad was bi so she sucked Laura's titties then had her sit on her face. Looking face to face with Laura as we both came was a trip both mentally and physically.

The dress has pride of place in her closet. It comes out only on special occasions. Like when Laura wants sex in the worst possible way! *—John, Dayton OH.*

nubile knockers going way beyond naughty!

Exciting Erika Steele from Wisconsin has been a rising starlet on the strip scene since we featured the perky pecker-popper back in our March 2003 issue. Erika was overjoyed with making our cover, being eager as she was to make an impact with lovers of bubbly buxom blondes everywhere. So she picked the right place to start by selecting *Gent*, right? The mail we got as a result left us pretty certain Erika's tantalizing charms went down well with the discerning carnal connoisseurs that comprise our readership. As for the livewire tasty tease herself, she could hardly contain her delight at grabbing the limelight...

"When I heard my pictures had been selected I went totally nuts!" she enthuses, "I was at the gym as usual that day working out but I had my phone with me. When I got the call I was going to be in *Gent* I wanted to let the whole world know. I was calling everyone I know and telling them the news—I even called one girlfriend that was with her boyfriend in bed when I rang her."

Erika can't contain a chuckle as she remembers that particular call. "They were, well, you know, getting intimate at the time," she smirks, "But that didn't stop me babbling on. That was so funny 'cause we kept talking till suddenly her boyfriend grabbed the phone—asking me to call back later 'cause he was pissed about giving her head while she was chatting with me the whole time!"

That kind of sums up Erika—once you get her started it's hard to make her stop. She's the kind of chesty chick that radiates enthusiasm for life, a bundle of limitless energy coupled with an effortless sexuality she seems oblivious to herself at times. "I get told I'm attractive, sure," she confesses, "It happens all the time—when I'm buying groceries or at the beach; it's even happened one time I was taking out the trash! But compliments are a dime a dozen, I think. People sometimes say stuff without even thinking about it. Anybody that looks after themselves can look good but inner beauty's what matters most, isn't it?"

Once Erika's warmed to her theme there's no stopping her. "Sex is the same—looking sexy and *being* sexy are two different things," she insists, "If I wanted I could get a man that looked great. You know—the buffed body, handsome, all that. But if there's no personality then what's the point? It takes more than looks to get me into the sack—I like a sense of humor, charm and a guy that's a good listener...but you probably already realized that, right?!"

Name: Erika Steele
Height: 5'6"
Weight: 120 pounds
Measurements: 36D-26-36

On these deliciously dirty poses: "I really enjoyed seeing my pictorial in *Gent* last time, but it struck me that compared to some of the girls you have my poses were sort of tame. I decided if another chance came along I'd let you see how wild and nasty a girl I can be. I think I managed it, don't you? It's such a blast, being this explicit, and it's whetted my appetite for more—I'm doing a girl-girl shoot soon and I've been sticky with anticipation for weeks!"

ROXANNE!

USA'S WILDEST WIFE!

Hi! My name is Roxanne. The editors of **Gent** have kindly allowed me to do a column here telling you about some of my sexual exploits. I'm a normal everyday housewife—and that seems to be the problem! It's normal and it's everyday. I have a normal husband, a normal life and everything is average. Length of sex, length of cock, it's just average. What I'm doing here is hoping that some of you readers are interesting and unusual, something that will add a little spice to my life, and I'll try and do the same for you. Feel free to e-mail me at roxannerockets@yahoo.com and tell me of your sexy exploits or what you'd do to me if you got me naked. I would love to have my readers send me stories of their exploits and or pictures, because maybe you'll become one of my sexy exploits also!

Tuesday

A special friend who I had not seen or played with in some time gave me a call today out of the blue and asked what I had planned tomorrow. I was very turned on by his call and decided to treat him to something sweet. I dressed in my sexiest black lace bra and wore a very sheer black nylon like blouse over it. Below I wore my crotchless black stockings a short black skirt and my high heels and headed to the mall.

I stopped at a gourmet candy shop and got seven cream-filled (yes, CREAM filled, because I *love* cream!) chocolates. Across from the candy shop was my favorite lingerie shop so I stopped in there and bought myself a gift—a new black corset. I couldn't wait to put it on for my friend the following day and present him with his sweet treats.

When I got home I gift wrapped all of them and gave him a call. I told him I couldn't wait to see him and that I had just gotten home from a visit to the mall with surprises galore for him and promised him that it would be the most delicious visit he's had in quite some time. He asked what I had bought but I told him he would have to wait and left it at that. He told me how excited he was about seeing me and that he was stroking his raging hard-on.

I hung up the phone and quickly fetched one of my vibrating dildos my from toy box. I rubbed it all over my tits, slowly moving down to my naked juicy pussy. I couldn't wait for tomorrow to cum! I turned up the speed on my little friend and played long and hard with my clit before inserting it into my sopping wet pussy. While fucking myself with my toy I vigorously rubbed my swollen clit. Thinking about what was going to happen tomorrow got me so excited I came wailing like a banshee in no time at all. O God, I can't wait for tomorrow!

Wednesday

I left the front door ajar with a note on it telling Jeff to come in. He called out for me and I told him to take a seat on the couch and I'd be out shortly. "Don't make me wait too long" he shouted back at me. "I'm desperate to get my hands and mouth on your body—*hurry up!*"

He started to get up from the couch but I told him to stay where he was. I stood before him wearing a sensuous silky robe and pulled away the sash. My robe fell open, but I only let him catch a quick glimpse of my goodies before I put the sash over his eyes. I told him once again I had bought him a present and it was going to be his task to guess the flavor at the center of each one of his luscious chocolate treats. I added that each time he guessed correctly I'd remove a piece of his clothing. And even if he was wrong he'd win, because each treat would be artfully applied to the most interesting parts of my body!

I started with the orange creme. I smeared it over my lips and the tip of my tongue. I gave him fleeting little kisses around his mouth and slid my tongue from one corner of his lips to the other. He guessed the flavor right so I removed one of his shoes. I then chose a coconut flavored cream centered chocolate. I applied a little on both sides of my neck, just like I apply my favorite perfume. I rubbed my neck on his lips so he could lick and nibble my neck. Again he guessed correctly so I removed his other shoe.

I moved onto the sweet taste of strawberries next. I rubbed it on my earlobe and brushed it against his lips so he could nip at it lightly. After

guessing it was strawberry I removed a sock. I split open the next candy—peach this time. I dipped my finger in the creamy flavor and then wiggled it around his tongue. When he guessed right I removed his other sock.

As I was straddling his lap I could feel his cock rising more after each sampling of one of his sweet treats. The next flavor gave him a little bit of trouble to start with. This time I unwrapped up the raspberry cream and smeared the cream on the nipple of one of my breasts. He swirled his tongue all over my hard nipple but couldn't decide what flavor it was. I wasn't about to stop testing him and as I told him before even if he couldn't figure out the flavor he'd still be a winner so I told him it was ravishing raspberry and removed his shirt. I then covered my other nipple with vanilla cream and fed it to his eager lips. He knew this one from the smell before I even got my tit into his mouth. I too was getting eager and quickly removed his pants.

I saved the best for last! I opened up the last chocolate and trickled the sweet cream of the creamy cherry on my labia. Then I guided his face between my legs and let him lap it up. He stopped the guessing game but I didn't care now—it felt so wonderful. I hankered for something sweet too so I grabbed one of the creams and spread it on the tip of his cock. I sucked it all off while he continued to eat my sweet cherry tasting clit. After an extended bout of sixty-nining I turned around and climbed on top of him. I rode him like I was riding a horse—in a way I was because Jeff's hung like a horse!

We fucked for hours before collapsing in a pool of chocolates, cream—and not just the cream from the candies but the cream of his cum and mine. Even after the last morsel of chocolate was consumed I'm sure the flavorsome memories will linger on!

Thursday

It took me until today to recover from the orgasms that racked my body the other day. I don't often go a day without sex but after our little creamy chocolate taste test on Tuesday I was quite drained. A day? Come on, who am I kidding? I normally don't go a few hours before I'm wanting to get laid again. I decided to do some house cleaning and came across some letters I'd received from some fans that were still unopened. I poured myself a glass of my favorite wine and sat down to read them.

Soon I was getting really turned on by reading these letters and what these fans wanted to do to me. It wasn't long before I had dropped the letters and begun to play with my excited pussy. But I didn't play for too long because I really needed to finish cleaning the house.

It's funny how easily sidetracked I can get when it come to sex because not long after resuming my cleaning I found one of the videotapes my husband made of me with this guy who had a 12" cock. It'd been a while since I'd viewed this tape so I popped it in the VCR.

Seeing this guy's huge cock sliding between my tits and up into my mouth I started to drip again. I inserted my fingers into my pussy then lifted them to my mouth so I could taste my sweet nectar. It tasted so good! I was now longing for the feel of another woman's tongue caressing my body. As I continued watching the video I imagined what it would be like to suck this guy's huge schwanz while another woman went down on me. I was rubbing my clit so hard, fast and furious I was actually squirting my cum all over the couch.

I was now at the part of the video where this dude was teasing my pussy with the tip of his cock. Just as he was sticking it into me I came in an explosive orgasm. My body was literally shaking. I had to wait a few moments before reaching for the remote. Before I turned it off I watched it to the end where he shot his enormous load all over my tits.

The sight of his cum spraying all over me got me turned on once again. I turned off the tape and went to my room. I grabbed my biggest dildo and fucked myself until I had another mindblowing orgasm. I knew I had to finish my cleaning this time so I put away my toy and returned to my chores—wondering what I might cum across next!

Just to remind you guys and girls out there, you can see me on webcam on Yahoo! My name is roxannerockets and if you mention that you saw me in Gent I will give you a free glimpse of what you see in the magazine month after month. I love to play with myself on cam so please cum and see me! P.S. The P.O. Box listed at the beginning is no longer open. The only way to reach me now is via the computer. Hugs & Wet Kisses Roxanne

TEEN TITTY TRAMP!

Dear Gent: A drinking buddy of mine called Rick had his sentencing date last month after being busted for DUI. Me and my pal Clint went to the courthouse to give Rick some support. Also there was his mom and Rick's younger sister, Shelby.

Shelby's only 19 but she's fantastically stacked. Let me tell you, this girl has got breasts to behold. She's only about five feet tall but her hooters are enormous on her slim tight bod. Clint and me sat next to the two women in the courtroom and we couldn't quit checking out Shelby's luscious young body the whole time.

"After years of marriage we drifted apart and one morning I woke up next to a stranger...And that's when my husband walked in...

After all the submissions had been dealt with Rick landed six months in the slammer. After we did our farewells his mom asked us if we'd give Shelby a ride home rather than her taking the bus. Sure! agreed Clint and me as we both looked at Shelby's stiff nipples poking through her thin boob hugging top.

After we drove over to the house Shelby asked did we guys want to come inside? She told us Rick had some stuff in his room he wanted us to look after while he did his time. We went into the house and into Rick's room. Shelby was flirting outrageously with us two the whole time. She pressed her buoyant boobies against me while I was gathering up Rick's things. Then she said suggestively, "Mom's going to be gone awhile y'know. You guys want to fool around?"

I wasn't sure we ought to but Clint was! He put his hands on Shelby's hooters and jiggled them up and down. "They real?" he asked her. "Damn right they're real!" Shelby said, lifting up her shirt and showing her tits threatening to bust her white bra.

Clint and her fell on the bed. Her bra came off and Clint got his hands all over Shelby's juicy white jugs. Now I decided I wanted some too so I got to sucking and jiggling her tits. Clint slid her panties off and started eating out her fleecy blonde box. The young tramp sure loved that!

"Gimme your damn dick!" she yapped. I shucked down my pants and let her get to grips with my eight hard inches. Shelby lapped the knob then took it in her mouth and started sucking like anything. "Yeah, suck it baby!" I groaned when she drooled on my knob like a slut.

Clint hauled out his prong and jammed it in her twat. He was fucking her tight pussy real hard. Shelby's hefty hooties swung around like crazy from the banging she got. She kept on blowing me. She was an expert at giving head. She sucked on my nads and took me real deep.

Clint kept on pumping her cunt till he shouted he was going to cum. "I'm cumming too!" Shelby yelled back. She gripped my shaft and spanked her boobies with it as she got off. I couldn't keep from spurting her knockers as she did it. It was everywhere, trust me! "Want more?" asked Clint. "Mmm, do it!" moaned the little tramp. Clint whipped it out, turned Shelby around and sprayed her big 19-y-o titties with spuzz. "DAMN!" we all said together, because it had been one insane fuck!

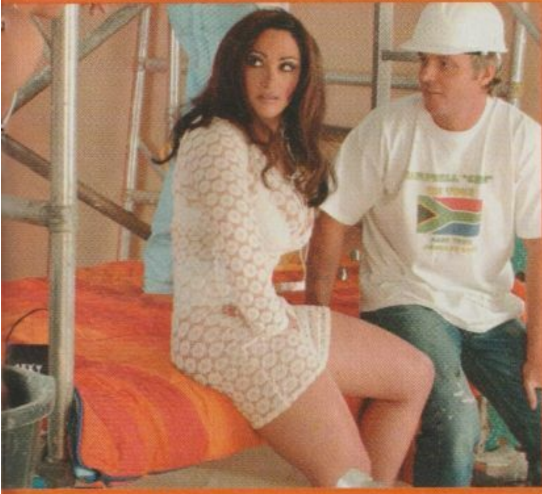
We still see Shelby from time to time. This chesty little slut loves fucking and sucking especially two dicks at once. I don't know how to explain it to Rick when he gets parole, but we're too busy nailing his hot sister to care about it right now*—Dale, Bossier City LA.*

HI BOYS!

Every woman has a fantasy and for me—Cathy Barry—my dream is to become the wildest, nastiest big boobed porn superstar ever! For as long as I can remember I've wanted to make it in the home of sex films—the USA. I know I've got what it takes—a firm sexy body, enormous mouthwatering tits and a tight pussy and even tighter ass! But most of all I've got the hunger and the attitude to be your perfect huge titted slut. I'm never happier than when I'm using all my skills to make men and women moan in ecstasy. I adore being your plaything and love to see your cock grow massive in response to all the wicked things I do. I just hope you enjoy watching me perform every degenerate and depraved sex act as thoroughly as I enjoy doing it so you can watch! I'm so thrilled Gent magazine has allowed me to strut my sexy stuff each month for you. Simply knowing thousands of you will get to share in my kinky games gets my pussy slick and wet! I know we're going to have so many good times together and that I'll keep your dick rock hard on my search to become the ultimate busty slut! If you get off on what I do then I want to hear from you. Drop by my very own website at cathybarry.com or email me at cathy@cathybarry.net and tell me the freaky stuff you'd do with a wanton buxom babe like me! I love to have men talk nasty to me and say what's on their mind when they stroke their cock to my naughty scenes. C'mon baby—make that huge hard thing explode for me!

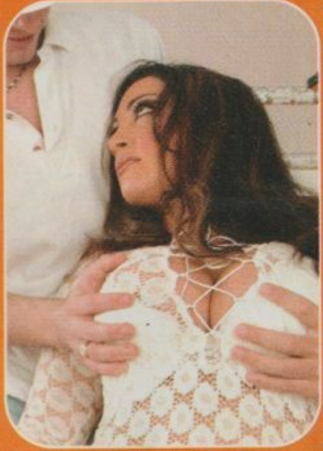
Love,

Cathy xxxx

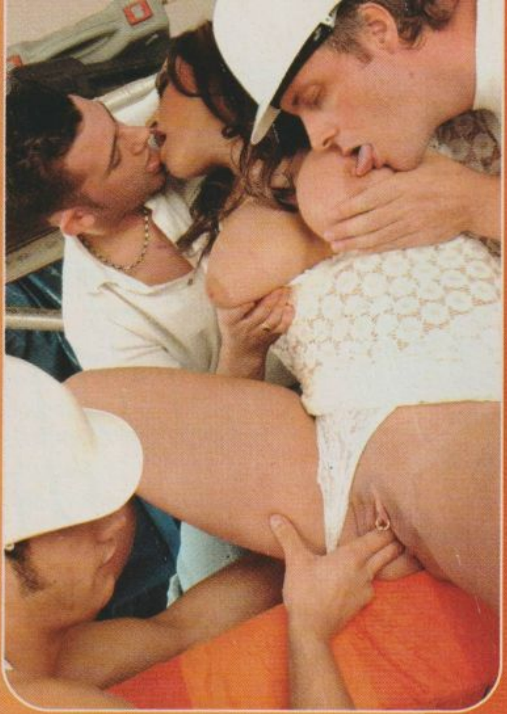


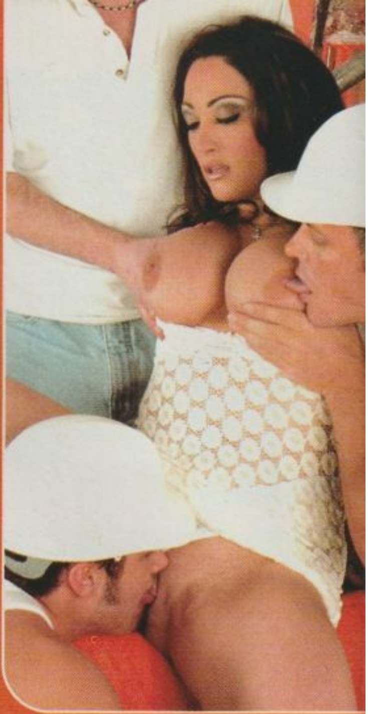
CATHY BARRY

21ST CENTURY PORN SLUT!

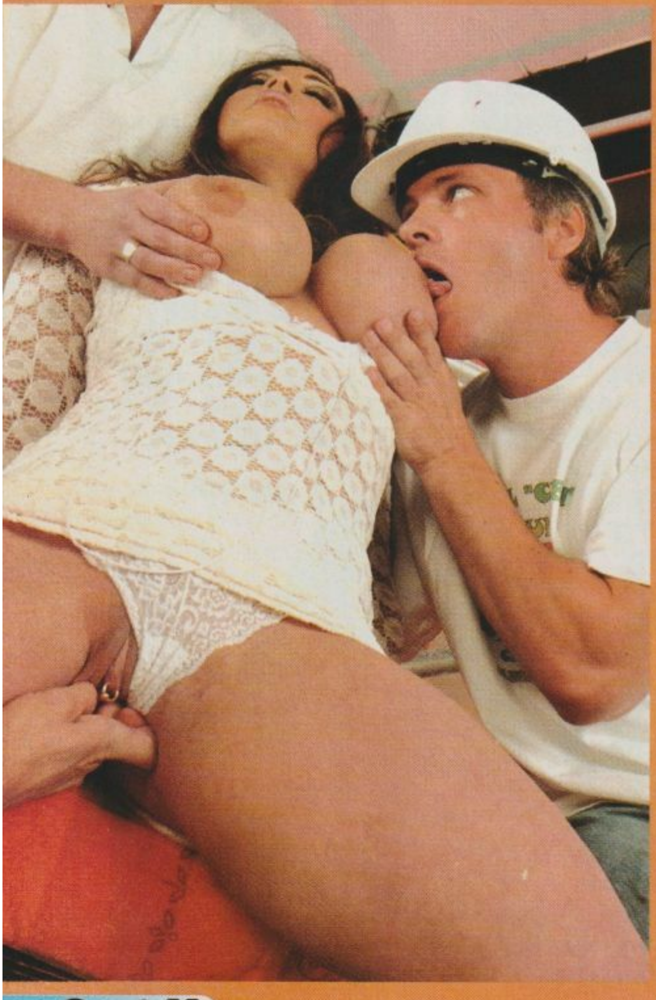


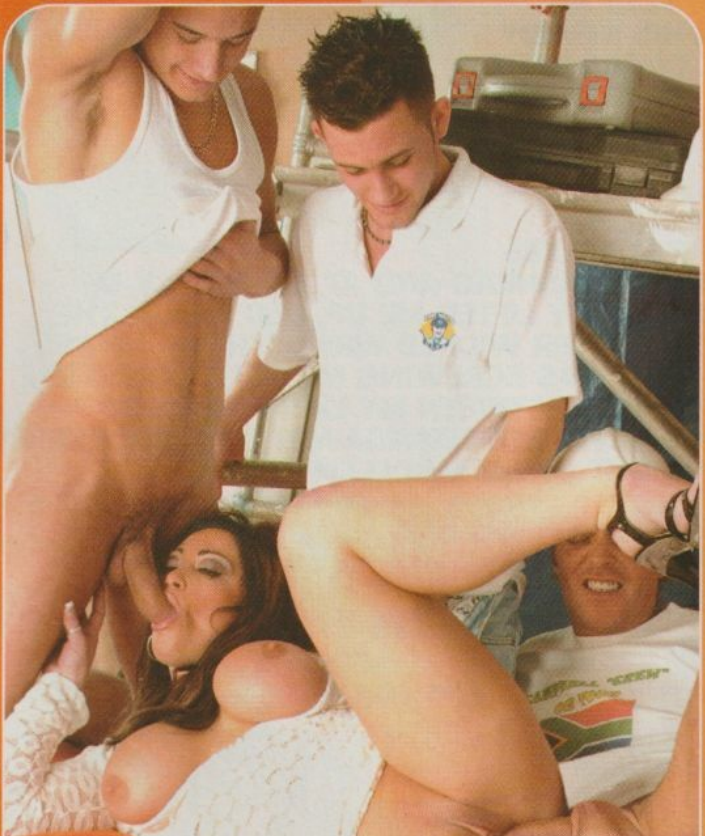
SOME DAYS YOU WANT IT NICE, BUT OTHER DAYS YOU WANT IT *NASTY*! AND WHEN I'M IN THAT KIND OF MOOD I KNOW THE SORT OF MAN I NEED..I DON'T NEED SOPHISTICATED MOVES OR WITTY CONVERSATION...I WANT GUYS THAT ARE DRIVEN BY PURE LUST FOR MY BODY AND ALL THE HORNY TRICKS I KNOW...WELL, THIS MONTH I CAME UP TRUMPS IN A MAJOR WAY! I'D GOT A TEAM OF BUILDERS IN TO WORK ON A GUEST ROOM AT MY HOUSE...THEY WERE LED BY A BIG BURLY GUY CALLED JAKE. HE HAD TWO YOUNGER LADS WITH HIM, DANNY AND STEVE, AND WHILE NONE WERE WHAT YOU'D CALL HUNKS THEY WERE STRONG, FIT AND MORE THAN CAPABLE OF GIVING A RANDY WOMAN A SEEING-TO! THEY'D BEEN WORKING HERE A DAY WHEN I WANDERED IN TO SEE HOW THINGS WERE GOING. JAKE AND THE BOYS WERE FULLY OCCUPIED WITH THE JOB, BUT THAT CHANGED WHEN I WALKED IN WEARING MY WHITE MESH DRESS THAT CLUNG SEXILY TO MY ASS AND MY BIG FIRM BOOBS...AS I EXPECTED, MY OUTFIT GOT THEIR FULL ATTENTION! I SAT DOWN ON A SPARE BENCH TO CHAT WITH JAKE ABOUT SOME OF THE FINER DETAILS OF THE JOB, BUT I QUICKLY REALIZED JAKE HAD HIS MIND ELSEWHERE... "ARE MY TITS DISTRACTING YOU?" I ASKED HIM. HE GRINNED. "YOU KNOW US MEN," HE SAID, "WE CAN'T IGNORE A HOT SET OF KNOCKERS!" ...I CROSSED MY LEGS TO FLASH MY PANTIES AND SAID, "IF I LET YOU PLAY WITH THEM A LITTLE WILL THAT HELP YOUR WORK GO BETTER?" JAKE'S ANSWER WAS TO PLACE A BIG PAW ON MY LEFT TIT AND GIVE IT A FIRM SQUEEZE. STEVE AND DANNY NOTICED WHAT WAS GOING ON AND CAME OVER TO COP A FEEL TOO... SOON ALL THREE WERE MANHANDLING MY MELONS AND, MMM, IT FELT *GOOD*..!





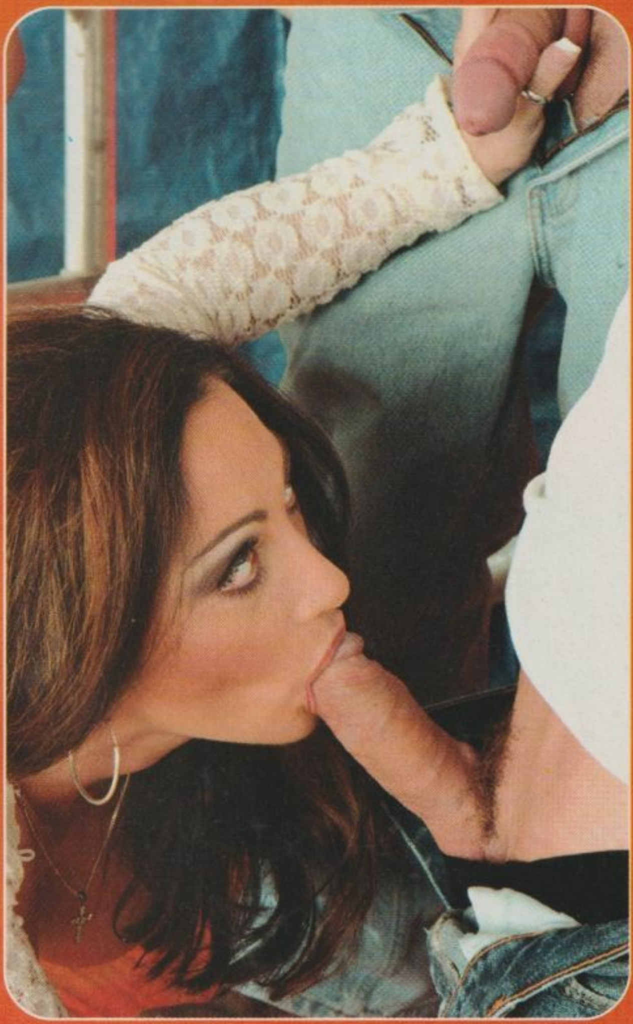
THEY SOON HAD MY 34-II BOOBS FREE AND WERE SUCKING AND KNEADING THEM CRUDELY, JUST HOW I LIKE IT! "FUCKIN' HELL! GET A LOAD OF THIS PUSSY!" SAID STEVE, PULLING MY PANTIES ASIDE TO BARE MY SHAVED TWAT AND SLIPPING TWO FINGERS INTO MY SMOOTH HOLE..HE PUMPED THEM DEEPLY INTO MY SNATCH BEFORE CROUCHING DOWN AND REPLACING HIS FINGERS WITH A WARM WET TONGUE... "GO FOR IT, STEVIE!" NODDED JAKE, LOOKING ON APPROVINGLY AS I RECEIVED AN ENTHUSIASTIC LICKING OUT THAT QUICKLY HAD MY CUNT ALL SLICK AND OOZING GIRL-JUICE...





MY IMPATIENT COOZE WASN'T GOING TO WAIT A MOMENT MORE...I DIDN'T CARE WHO WAS FIRST--THEY WERE ALL GOING TO GET THEIR CHANCE IN THE END THE WAY I WAS FEELING AT THE MOMENT! STEVE WAS CLOSEST SO I HOPPED ON TOP AND LOWERED MY PUSSY DOWN HIS STIFF POLE TILL IT FILLED MY FUCK-SLOT TOTALLY...IT WAS SOON DRIVING ME NUTS WITH EXCITEMENT AS JAKE AND DANNY HELPED ME BOUNCE UP AND DOWN ON THEIR BUDDY'S BONER... "YEAH, FUCK THAT COCK, GIRL!" LEERED JAKE AS I SLAMMED MY SNIZZ ON IT REPEATEDLY, STRETCHING UP ABOVE ME TO GRASP A SCAFFOLD BAR FOR ADDITIONAL PURCHASE... "DAMN, LOOK AT THOSE TITTIES JIGGLING!' WHISTLED DANNY, MESMERIZED BY MY WILDLY WOBBLING WHAMMIES... JAKE STEERED HIS RIGID ROD INTO MY MOUTH AS I HUMPED AWAY ON STEVE. THEN, WHEN I TURNED MY HEAD IN ORDER TO SERVICE DANNY'S DONGER HE RUBBED THE LEAKING TIP OF HIS TOOL AGAINST MY RUBBERY TAUT NIPPLES, SENDING SHIVERY THRILLS ALL THROUGH ME...FINALLY, JAKE ASSERTED HIS RIGHTS AS BOSS. "MOVE OVER, STEVIE," HE DEMANDED, "I'LL SHOW YOU *REAL* FUCKING!"...HE WENT IN HARD AND THRUST DEEP, FUCKING LIKE A BRUTE TO HEIGHTEN MY SHAMELESS PLEASURE...

AAAHHH, YES! I WAS GETTING THE COARSE ANIMALISTIC FUCK I'D HOPED FOR--WITH A VENGEANCE! BEFORE LONG I WAS WHIMPERING WITH ORGASMIC BLISS AS JAKE TOOK ME TO A GASPING CLIMAX, MY GIRLY GOO DRENCHING HIS BALLS AS I EXPLODED INTO AN INTENSE CUM... "SEE? THAT'S THE WAY TO DO IT!" JAKE CHUCKLED AS HE WITHDREW AND DANNY TOOK OVER NAILING ME. "GET ON TOP, CATHY!" HE URGED ME, "I WANNA WATCH THEM JUGS FLOPPING ABOUT AS I FUCK YOU!" I WAS HAPPY TO OBLIGE AND DUTIFULLY IMPALED MY SOPPING TWAT ON HIS STURDY SCHLONG... THOSE COCKS KEPT BEING PUSHED AT ME, NOT LETTING UP FOR A MOMENT ...DANNY TWEAKED MY CLIT AS HIS PRICK PUMMELED MY POONTANG. THAT SET OFF ANOTHER SERIES OF CLIMAXES THAT LEFT ME LIMP AS A DISHRAG AND AT THE MERCY OF THEIR FILTHY DESIRES...THEY LIFTED ME UP, LAID ME ON THE WORKBENCH AND HAD THEIR WICKED WAY WITH ME...I WAS LOSING TRACK OF WHO WAS SCREWING ME. ALL I COULD SEE WAS COCK BEING PUSHED BETWEEN MY LIPS FOR ME TO DROOL ON, OR COCK BEING RUBBED AGAINST MY KNOCKERS OR PUMPING IN AND OUT OF MY SWOLLEN PUSSY...



...YOUNG STEVE DID AN EXCELLENT JOB OF GETTING ME FEELING DIRTY AND HOT FOR COCK...WHILE HE WAS EATING MY BOX I WAS FEELING DANNY AND JAKE'S PRICKS THROUGH THEIR GRUBBY JEANS...THERE WERE SOME SIZEABLE SLABS OF GRISTLE SWELLING UP DOWN THERE AND I WAS VERY EAGER TO INSPECT THEM IN CLOSE-UP! "C'MON, BOYS--WHIP 'EM OUT!" I MOANED WHORISHLY AS I CLUTCHED AT STEVE'S EARS...THEY HASTILY DID WHAT I ASKED AND PRESENTED ME WITH A TRIO OF HANDSOME-LOOKING DICKS THAT I EXAMINED DELIGHTEDLY WITH PURE LUST COURSING THROUGH ME... "WANT TO SEE HOW GOOD I CAN SUCK COCK?" I ASKED THEM. NATURALLY, THEY DID! "YEAH, THAT FEELS FUCKIN' GOOD!" GROANED JAKE AS I SLID MY LIPS AROUND HIS BIG VEINY DICK AND FLICKERED MY TONGUE ALL OVER THE CHUBBY KNOB...I MOVED MY MOUTH FROM ONE PECKER TO ANOTHER, SUCKING AND LICKING LIKE A PROPER SLUT AND LOVING HOW THEY THRUST IN MY LIPS AND STILL CONTINUED TO GROPE EVERY AVAILABLE PART OF ME TO HAND...DANNY SLIPPED A HAND BETWEEN MY ASSCHEEKS WHILE I WAS LEANING OVER SLURPING ON STEVE'S SHAFT...ONE FINGER PROBED MY PUSSY WHILE ANOTHER PUSHED INTO MY TIGHT TUSH TO TEASE MY BUMHOLE...WHAT A NASTY BOY! MAYBE HE'D PUT MORE THAN JUST A FINGER UP THERE IN A MINUTE..!

JAKE STRADDLED MY CHEST. "SHIT, THOSE ARE BIG FINE SEXY JUGS!" HE BREATHED ADMIRINGLY, "AND THEY'LL LOOK EVEN BETTER WITH MY DICK STUFFED BETWEEN 'EM!" HIS THROBBING DONG SLID INTO MY CLEAVAGE AND I INSTINCTIVELY PRESSED MY BOOBS TOGETHER TO INCREASE THE FRICTION AS JAKE HUMPED MY HOOTERS...I THOUGHT HE WAS GOING TO POP HIS ROCKS ON MY RACK BUT STEVE HAD OTHER IDEAS...HE'D NOT HAD HIS FILL OF FUCKING ME YET APPARENTLY, AND PULLED ME ON TOP OF HIM, GUIDING HIS STEELY STICK BACK INTO MY BY NOW VERY SLOPPY SLOT...IF I THOUGHT THEY'D HAD ENOUGH OF ME I WAS *VERY* MISTAKEN!

OH NO, THIS DIRTY TRIO OF HORNY-HANDED LABORERS INTENDED TO COMPLETE THE JOB OF SCREWING ME SENSELESS IN SUCH A WAY AS TO LEAVE NO CHANCE OF MY BEING UNSATISFIED...AS I SQUIRMED ON STEVE'S DICK I FELT ONE OF THEM DRIBBLING SPIT ONTO MY EXPOSED BUNGHOLE...THEN I HEARD JAKE SAY: "LET'S MAKE SURE EVERY ONE OF THIS GAL'S HOLES GETS FILLED PROPER, HUH?" DANNY EAGER GOT IN FRONT OF ME AND OFFERED ME HIS COCK TO SLURP ON...THEN I FELT THE FAMILIAR BUT ALWAYS THRILLING SENSATION OF AN EXCITED SLAB OF MAN-MEAT KNOCKING AT MY BACK DOOR! "OOOOHHHH!" I GASPED AS JAKE'S BLOATED BONER PUSHED ITS WAY PAST MY ULTRA-TIGHT RING AND WENT AS DEEP INTO MY ASS AS STEVE'S TOOL WAS IN MY SNATCH...THE RESULT WAS A NEAR-INSTANT NUCLEAR ORGASM THAT DETONATED IN MY DERRIERE AND SENT BLASTWAVES OF BLISS ALL THROUGH EVERY INCH OF ME...I WAS STUFFED WITH COCK IN ALL MY ORIFICES AND THE EFFECT WAS SIMPLY SENSATIONAL!

IF THEY'D BEEN ABLE I THINK THOSE BOYS WOULD HAVE KEPT DOING ME UNTIL WE JUST COLLAPSED FROM SHEER EXHAUSTION! BUT YOU KNOW THERE'S NO CHANCE OF ME HAVING THREE STUDLY PRICKS AND NOT ENJOYING TRIPLE THE AMOUNT OF HOT CUM! WITH THE LITTLE ENERGY I HAD LEFT I FELL TO MY KNEES AND SEIZED THEIR COCKS AS THEY STOOD ALL AROUND ME...I WENT BESERK, LICKING AND SUCKING, WHIPPING MY HEAD FROM ONE TO ANOTHER AS I DESPERATELY WORKED THEIR HARD-TO-BURSTING WANGS IN MY URGENT NEED FOR JIZZ... THEY GAVE ME MY WISH AND *LOTS* OF IT! GUSHING CUM WENT OVER MY TITS, FACE, HAIR... THEY COULD'VE PUT THE WALLPAPER UP WITH ALL THAT PASTE..! HMMM, SEEING HOW SOME OF THE WALLPAPER CAME LOOSE A DAY AFTER JAKE AND THE BOYS HAD LEFT, MAYBE THAT'S *EXACTLY* WHAT THEY DID!

Vive la France! Amorous Anoushka mailed us these sultry snaps of her Gallic gazongas and impressively bushy Parisian pussy because, "I want to make a special surprise for my American lover. I know your magazine is a special favorite for him so he won't believe his eyes if he sees me nude in it!" Anoushka goes on to explain that her mystery man--who she refers to only as 'G'--is a business operator with interests in France, which is where he and she first hooked up.

"The distance is extremely frustrating," she pines, "Often I want him so much it is like an ache. We make much communication with email and telephone but it's not the same as him being here with me. I need his enormous manhood to satisfy me truly!"

Sounds like our compatriot has much to offer our European friends. Anoushka wholeheartedly endorses that. "My lover is very tender, warm and funny," she states, "But also he is a fantastic lover with so much imagination. We do everything in bed. One of our favorite fantasy games is where I pretend to be the putain (hooker) and he is my client. I also have a busy job with great responsibility so doing this allows me to let go and be as whorish as I desire. He loves to fuck me anally and always gives me orgasm this way. He loves my breasts also and gets great pleasure to ejaculate on them!"

We hope 'G' finds Anoushka's intimate snaps as inspiring as we did. We calculate her measurements at 38-24-36--which you'll agree makes this fuck-happy femme truly magnifique!

TINA

Delectable Donna Marie works as a fitness instructor in a local health studio and all that activity gives her plenty excess energy that's got to be burned off somehow! "It does give superb stamina for sex," agrees the 22-y-o, "I've exhausted more men than have exhausted me! Maybe that's why I have such a thing for threesomes--the extra man comes in handy!"

These pictures were taken on a late commuter train on the way to work. Luckily the train was empty. It really did turn me on, revealinmg my tits and pussy in a public place."

Donna Marie claims her penchant for prick-plus came stems from an incident that happened soon after she started her new job. "I'd gotten real friendly with a guy in the gym," she explains, "He worked on the weights a lot and was totally buff. Thing was, he was married so if I was going to take it further then we had to be sneaky. To cut a long story short we slipped into the locker room shower late one night to get it on. I thought no one else was there till midway through this fuck I looked up and saw another hunky stud stood there naked with a huge hard-on, watching us. When he came over I didn't need to say anything, I just started sucking his dick. Having two men together turned out to be the greatest sex of my life. Two is my limit so far but I do wonder what more would be like!"

With her shapely 36D-24-35 figure we imagine Donna Marie will have little difficulty finding guys eager to help her experiment. This hyperactive and horny hussy from MI. hopes so. "I want to see how far I can go," she admits, "You never know what you're capable of till you actually try it!"

OONA

Lusty Louise makes her home in PA. where the 25-y-o works as a data processor. After bailing out of her marriage a year ago the 38D-25-34 brunette says she's in no hurry to find a permanent relationship and would rather play the field a while. "One thing I realized during my marriage was the sheer numbers of sexy men there were," she admits, "I was a fool to commit so early. Now I'm single I'm sampling as many men as I can and it's great!"

One particular 'sample' is her close friend Bill whose handiwork you see here. "Bill's a wonderful fuck-buddy," Louise reveals, "He's perfect for me in the stage of life I'm at. There's no hassle with Bill, we get together because we enjoy screwing each other and enjoy sex, plain and simple. He says he gets a kick from my sense of adventure and for me he's ideal for finding ways to expand my sexual experiences. A few months ago he fixed it so I could finally experience lesbian sex. It was a fantasy of mine for years and Bill arranged a night with an old girlfriend that went both ways. She had big tits too and I think Bill was equally as delighted as I was having so much tit to enjoy! We both read Gent and having gotten off on it so long decided to repay you with these pictures. We'd love to know what the readers' opinions are on me. Maybe it might even bring us into contact with suitable studs for my cock-orgy fantasy. Again, I've fantasized a night with just me and a bunch of men for ages and I'm starting to get itchy to make it happen! I think I'd be really good at keeping two or three guys happy in any number of ways! My pussy just loves lotgs and lots of attention!"

CHLOE VEVRIER

SUPERSTACKED SUPERSTAR!

www.chloevevrier.com

velvet vixen!

Queen of Cups Chloe Vevrier has taken to her monthly appearances in *Gent* with gusto. The magnificent brunette beauty has been studying the magazine intently and as she essays another candid collection of pics for this issue, the colossal natural breasted honey has a few thoughts she wants to share with you guys reading this...

"Be honest with me now, fellas—how many of you get off on the idea of my soft silky boobies all coated with thick creamy goo?" she purrs while hefting those gorgeous 52" chest-pillows, "You know what I'm talking about! I'm talking about my huge breasts all shiny and glistening after you've squirted me with gunk from nipple to nipple! Don't be shy now—I know that's what so many of you think about every time you see me baring my bosom here on these pages. I know because I read the letters and emails you send me and so many times the correspondents tell of the ecstatic joy they experience when they empty their balls all on a chesty girl's abundant bust..."

Uh-oh, seems we've been found out! But Chloe doesn't seem offended by our baser instincts: "How come so many of you are really coy about what you want to do with me?" she insists, "I get so many letters where men seem embarrassed to tell me how they yearn to soak my tits with spunk. The tone is almost apologetic as though guys think there's no greater insult to a well-endowed woman than losing your load on her hooters.

"Let me assure you all it takes a lot to offend me," she continues, "Certainly I can't take offense when I receive graphic fantasies where my bosom ends up festooned with fuck-cream. *Gent* is a magazine for men who adore large breasts. Having large breasts I understand these desires. Boob lovers constitute 99.99% of my fans, after all! If a girl like me can't deal with those dirty desires then I've got some nerve making a career of exposing my body, haven't I?"

As this seems to be Chloe's theme this month we have to press her on the joys of jug humping. Again, her response is frank and inspiring. "Of course I'm not into titfucking as the only kind of sex—I'd be pretty frustrated if that was the case," she stresses, "But as the dramatic climax to a steamy bout of superb sex then I can accept a man showing his appreciation of my assets in such a fabulously filthy way!

"Remember—like any woman I simply adore flattery!" smiles Chloe, "I love knowing I can cause so many men in so many places to express their admiration in so many different and delicious ways! So as you look at my photos this month and if the sight of my massive ripe goodies inspires you, don't submerge the urge...let it out in spurts!"

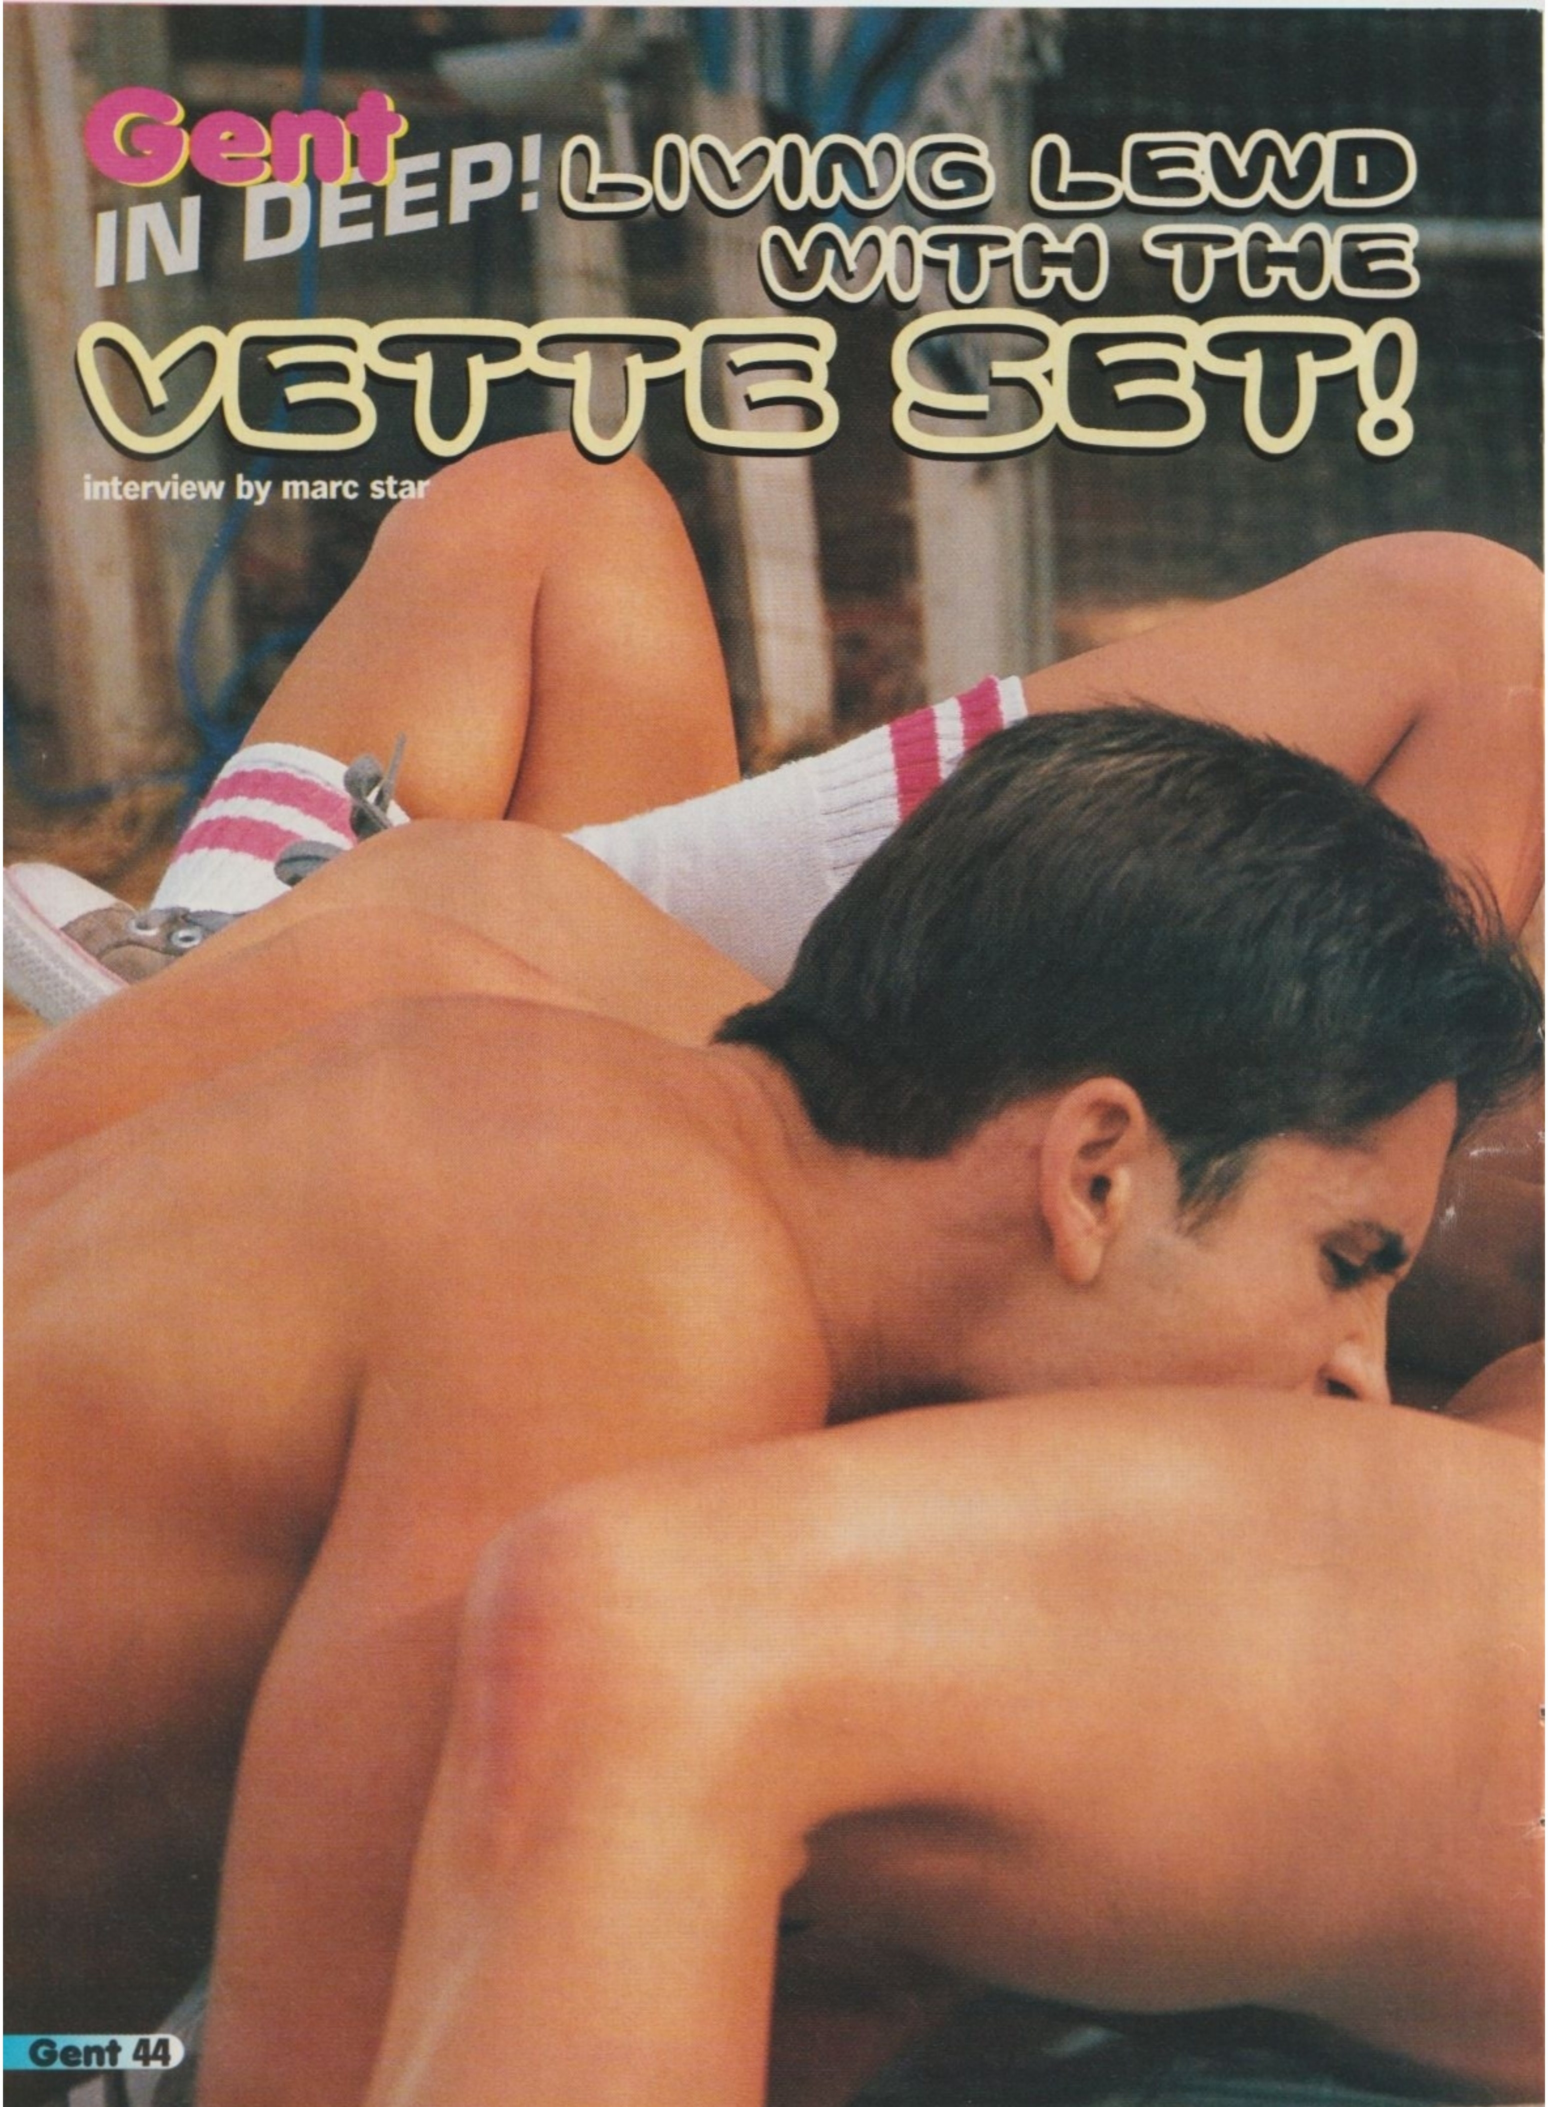
IN DEEP! LIVING LEWD WITH THE VETTE SET!

interview by marc star



AT AGE 37, VICKY VETTE SAID FAREWELL TO THE RESPECTABLE WORLD OF ACCOUNTANCY IN ORDER TO INDULGE HER SECRET SWINGER SEXUAL APPETITES! NOT CONTENT WITH THAT CAREER SWITCH, THE BUSTY BLONDE HAS TAKEN IT THE WHOLE WAY AND CARVED HERSELF A NICHE AS ONE OF PORNO'S RISINGEST STACKED SLUTS. GENT'S MARC STAR RECENTLY CAUGHT UP WITH VICKY AND GOT THE WHOLE LOW-DOWN ON THIS SEX-HUNGRY HOTTIE AND HER EXTRAORDINARILY LUSTY LIFESTYLE!

GENT: You're from Atlanta, Georgia?

VICKY: *Hot*-lanta!

GENT: Hotlanta. Right. So what brings you out to Los Angeles?

VICKY: Pornography. My love of pornography.

GENT: Did this just happen one day?

VICKY: Yes. I woke up one day and decided I wanted to be in porn.

GENT: Why?

VICKY: I started off modeling. I was doing lingerie and bikini modeling. I started that when I was 37, which is kind of late. But when I was younger, I never had the confidence or the financial resources to pursue it. When I was 37, my husband and I shut down our building business for a little bit because we were so overworked and overstressed that we decided to take a year off and just do whatever we wanted. So we bought a travel trailer and we were planning on just traveling across the States. We were planning on fucking and sucking our way across this whole great country.

We ended up parking it at a nudist resort. We were only going to stay there for two weeks, but we just loved it so much that we stayed another two weeks. And then another two weeks.

We got there in June and before we knew it, it was December and it was starting to get cold. It was kind of cold in the travel trailer so we rented a house on the nudist resort. We ended up staying there and now the trailer is in storage.

GENT: How long were you there?

VICKY: Now it's been a year-and-a-half.

GENT: You're still there?

VICKY: We never left! We met so many wonderful people and every day we'd be lying out by

the pool or going in the hot tub. Every night they have parties and dances. There are just so many wonderful people there. It's a great way to live. It's so stress-free.

GENT: Is it a swinging place?

VICKY: Yes. I mean, it's not supposed to be. You're supposed to keep in your house or your trailer. But the dances get pretty rowdy—especially after midnight after everybody has had a few drinks. You can get kinda funky out on the dance floor—especially the women. The women are the worst. The women are absolute pigs.

GENT: How so?

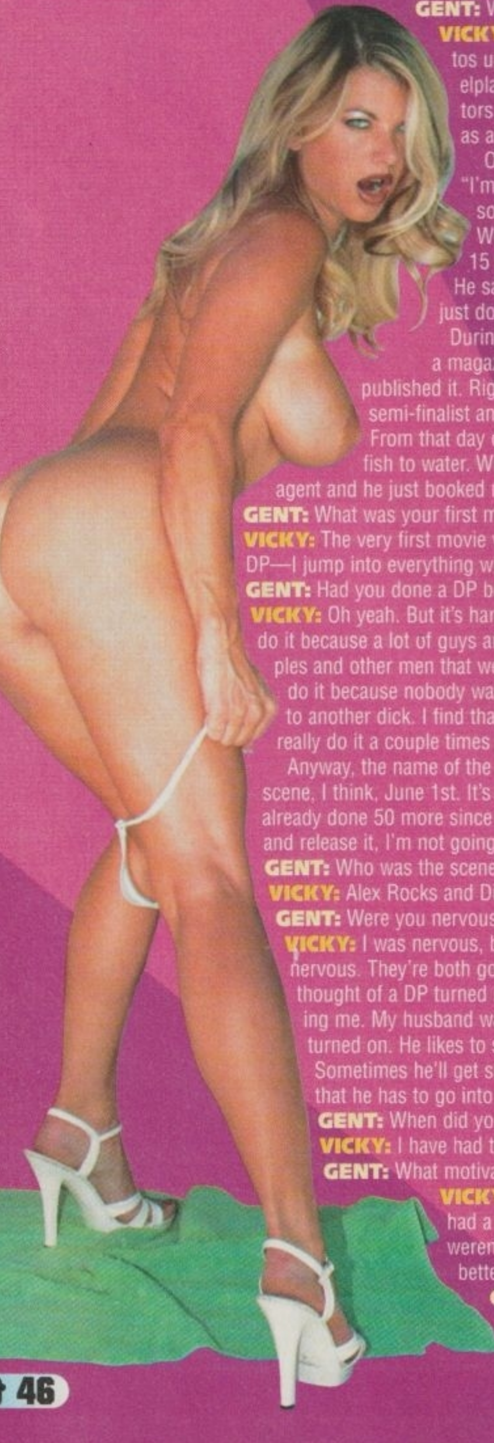
VICKY: The way they dance. I mean, we're not supposed to do that kind of stuff. But we play games. We hand out little toys and play games. We'll use our nipples and throw these rings and try to land them on our nipples. Different stuff. I can't tell you all the real stuff. If I told you, I'd have to kill you.

GENT: When did the modeling start?

VICKY: We stayed there and we were just taking time off. We were used to working 80 hours a week. Especially me, I got kinda bored after a while. And I thought, "I'm 37. I've always wanted to try modeling. So it's now or never." So I gave it a shot and I did fairly well at it. Of course I lied about my age to everybody.

Then I started doing fine art nudes, which I really like. I'm very comfortable being naked. I like being naked. I prefer it. So I worked with a lot of really good fine art photographers and we have some work hanging in some different galleries in Atlanta. And soon as I posted a couple of nudes up on the Internet, the offers for porn started pouring in every day.

Being a good girl, I kept saying, "No thank you. Thank you very much, but no. Maybe later." Politely turning them down.



GENT: Where were the offers from?

VICKY: Out here in LA. I put my photos up on a website called onemodelplace.com. I guess a lot of directors and producers out here use that as a talent pool.

One day I said to my husband, "I'm getting all these offers and it sounds like really good money. We've already been swinging for 15 years. So, what's the big deal?" He said, "You're nuts. Why don't you just do it?"

During that time, I'd sent in a photo to a magazine's amateur contest and they published it. Right away, they chose me as a semi-finalist and brought me out to do a shoot. From that day on, I loved it. I took to it like a fish to water. While I was here for that, I met an agent and he just booked me up solid.

GENT: What was your first movie?

VICKY: The very first movie was with Joey Silvera. It was a DP—I jump into everything with both feet.

GENT: Had you done a DP before?

VICKY: Oh yeah. But it's hard to find people in civilian life to do it because a lot of guys are so homophobic. We have couples and other men that we swing with and they wouldn't do it because nobody wanted to have his dick that close to another dick. I find that really silly. So I had only got to really do it a couple times before.

Anyway, the name of the movie is *New Girls* and I did that scene, I think, June 1st. It's still not released. And I've already done 50 more since then. So if he doesn't hurry up and release it, I'm not going to be new anymore!

GENT: Who was the scene with?

VICKY: Alex Rocks and Dick Delaware.

GENT: Were you nervous?

VICKY: I was nervous, but I was more turned on than nervous. They're both good looking guys and the whole thought of a DP turned me on. And I like people watching me. My husband was watching and he was all turned on. He likes to see me have a good time. Sometimes he'll get so turned on watching a scene that he has to go into the bathroom to masturbate.

GENT: When did you get your boobs?

VICKY: I have had these for about three years.

GENT: What motivated you to do it?

VICKY: I wanted to be more perfect. I had a C-cup to start with, so they weren't bad at all. I just wanted them better. Now, they're a double-D.

GENT: What has changed since you've been in the business?

VICKY: I really feel like I've

found my true self. Finally. I have held a lot of corporate jobs, but I never felt like I was being true to myself. I could never be myself, say what I wanted, act how I wanted to act. I always had to put on a face. I was holding myself back. I had to be so careful.

GENT: What kind of jobs did you have?

VICKY: I come from an accounting background. I started off at 18 as an accounting clerk—accounts payable, accounts receivable, stuff like that—and worked my way through assistant controller, controller, general manager. I've had 50 to 75 people working for me, which is really different.

GENT: Do you think any of your co-workers from back then would be surprised to find what you're doing now?

VICKY: They would be completely in shock and awe because I was known as Miss Prude. It was ridiculous because we'd be going out to swing parties at night and I'd be licking pussy. The next day, I'd go to work with a suit on, carrying a briefcase, my laptop, my cell phone, my hair in a bun. The whole bit. And I was so strict with my employees. If anyone knew the real me, they wouldn't respect me. It was a real double life.

One time while I had one of those jobs, I got my bellybutton pierced. I was fairly good friends with some of the girls and I told one of them. I told her not to tell anybody else. Of course, she did.

The next day at work, first thing in the morning, everybody is standing around the water cooler talking about how Vicky got a belly ring. All the other employees laughed and said, "That's ridiculous. She would *never* do that!" That's what they thought of me.

GENT: Do you think those old co-workers will find out?

VICKY: I guess eventually they'll find out. There are a lot of movies out there and they're all starting to come out. I have about fifteen or twenty that have been released and the rest are in editing.

GENT: Any favorites?

VICKY: I really like DVSX's *Double Parked 6 (reviewed in Boob Tube this issue—Ed).* It's a DP scene and there's a little prelude to it where Alex the director plays with me with a double-ended dildo. I have this thing about being outside in the sun. It really, really turns me on, especially when I'm naked. When the sun shines on my clit it makes it really swell up. So he was fucking me with this dildo and it was amazing. I had this huge orgasm. I came so hard I broke the dildo in half. I've never seen that happen before.

But what was really funny was that the camera wasn't on. And they only realized it afterwards. The director asks, "Can you do it again?" Well, I just had this major, earth-shattering orgasm and I was exhausted. I said, "Well, I'll try!"

We did it again and I did come again. It looks good on the video. But it's funny because you'll see he's using two pieces of the dildo on me.

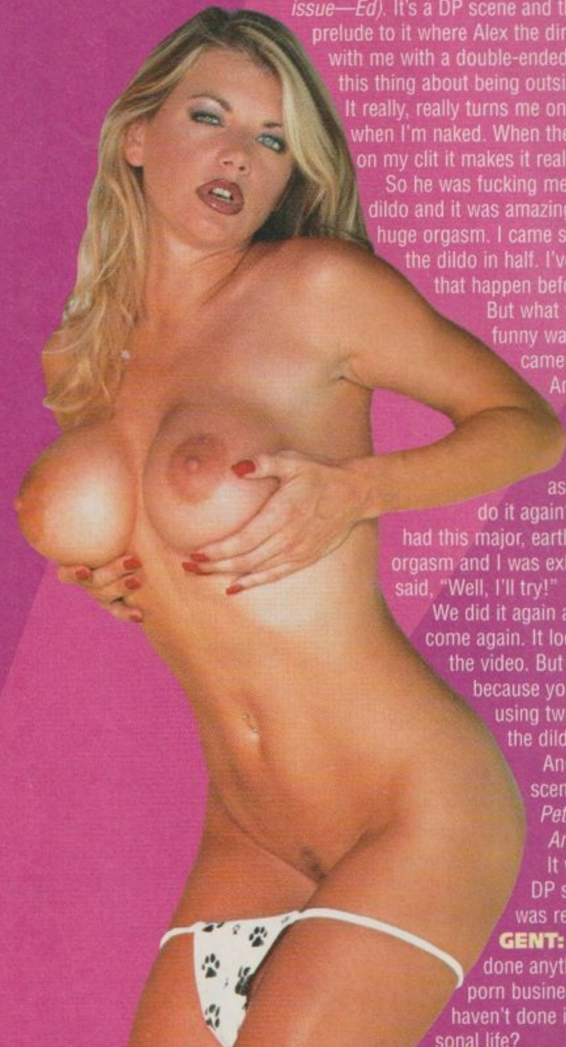
Another favorite scene of mine was *Peter North's Anal Addicts 14.* It was another DP scene. And it was really good sex.

GENT: Have you done anything in the porn business that you haven't done in your personal life?

VICKY: Umm...no.

GENT: Then tell me about a wild swinging adventure you've had.

VICKY: My husband and I have a lot of fun just on our own. One time I gave



him a handjob while we on a motorcycle. And when he came, it flew through the air and landed on another car's windshield. They had to turn the windshield wipers on and it was smeared all over! We were laughing ourselves silly...

Another time we were driving back from Savannah. I was giving him a blowjob and it's kind of a small car so I basically had my ass out the window. He had his arm around me and was sticking his finger in my butt. This trucker started following us. First, the trucker pulled out a little flashlight and started shining it on my butt. Then he pulled out this great big spotlight, got on the radio and started telling all of his trucker buddies. Next thing you knew, we had a convoy of truckers following us. It was like *Smokey and the Bandit*.

GENT: Who's wilder—Vicky Vette: porn star or Vicky Vette: swinging wife?

VICKY: I think the swinging wife because in the porn movies they don't let you do what you want to. I think I'm wilder off camera.

GENT: What sort of future endeavors does the porn industry hold for you?

VICKY: Well, I just started my website—***www.vickyathome.com***.

GENT: Do people recognize you out in public yet?

VICKY: Out here in California, yeah. Sometimes I'll go to the gym and guys will recognize me from magazines. The first time it kind of freaked me out a little bit, almost scared me. But now I love it, I love meeting my fans. I did AdultCon recently. Me and this other girl were giving each other lapdances. We were dancing on the tables. Then I did the AVN Convention. I was really only supposed to be in the booth for three hours a day, but I was having so much I stayed for eight hours every day because I loved meeting the fans. I was taking pictures with people, letting guys feel my tits. I was grabbing their dicks.

GENT: Lucky fans!

VICKY: You gotta be nice to your fans!

GENT: What turns you on?

VICKY: I've always been kind of an ass freak. When I was younger and would masturbate, I would stick things up my butt—anything I could find. And I always felt really bad about it. I always thought that I was sick, perverted and that I would *definitely* go to hell and fry.

When I met my husband, he asked me if I liked anal and I said, "No!" But whenever we were doing it and he put his finger near my butt, he would see me shiver. He could tell. He knew I was lying. So he kept trying to convince me. Then, he just started doing it anyways—he knew I was lying.

GENT: You were a closet pervert.

VICKY: Then we started watching porno movies. When I saw the girl/girl stuff, it looked so good. I always liked women, but I could never tell anybody.

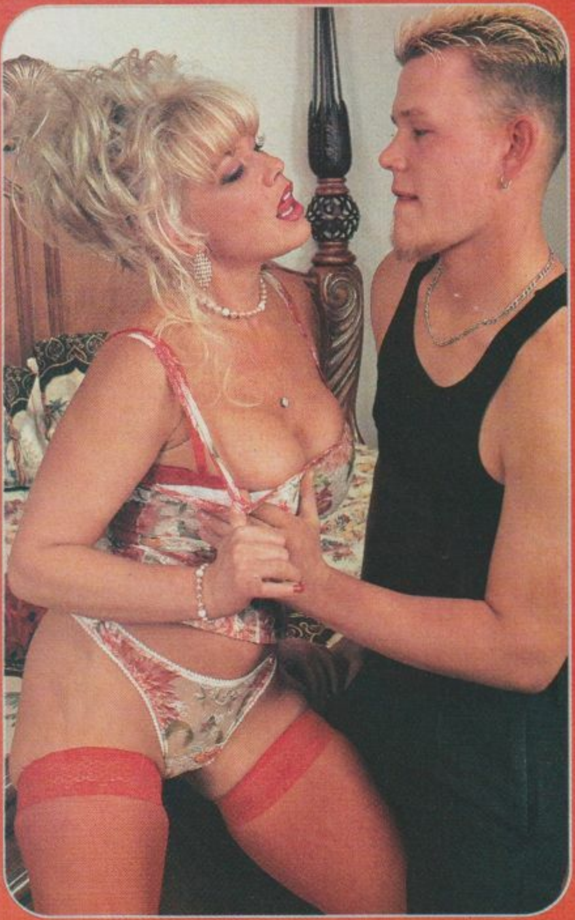
GENT: Did you experiment with girls when you were younger?

VICKY: No. Never. Only in my dreams.

GENT: Do you guys have rules for your swinging lifestyle?

VICKY: We just don't do anything apart. We do everything as a couple. He's really supportive of my porn career. We work together building houses. Everything is 50/50. And it's the same way with swinging. We just do it together. We don't ever do anything behind each other's backs. I get fans asking me all the time to go do stuff with them. And if they're cool with my husband being there and participating then it's fine.

AIRFORCE AMY

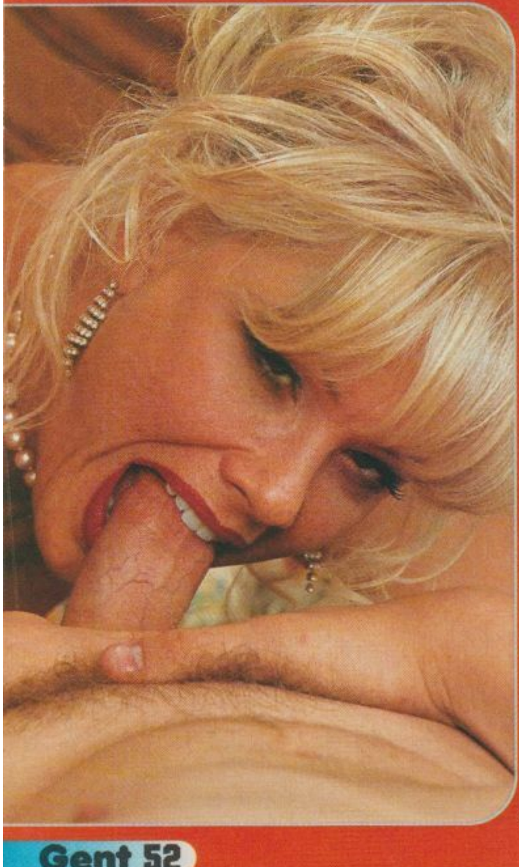


BIG MELON MILF GIFTS A BIRTHDAY BOY JOY!

When hedonistic harlot Air Force Amy made her *Gent* debut back in 2001 we never envisioned the international fame this breasty beauty would achieve. The eagerest beaver at the globally notorious Bunny Ranch in Carson City, NV has become renowned everywhere via her numerous appearances across every media imaginable. So when a chance came to secure a fresh series of spreads of this dick-crazy dynamo we were delighted to hear Amy intended to invite us into her boudoir to show off her sexiest moves!

"I was kind of disappointed my previous pictures didn't go far enough," remarks the 5'4", 122 lbs. sexual powerhouse, "I didn't want to leave the readers feeling they hadn't seen me being the nasty slut I am—so when you got back in touch I knew exactly what I wanted to do. Bo was the perfect foil for me. He was celebrating turning 21 that night, and naturally he was in the mood to party. Well," she adds with a giggle, "he never expected the kind of party I gave him, I'm sure! When I told him these pictures of him balling me were going to be in *Gent* I swear his cock grew an extra inch! It certainly made him raise his game, I think. He can fuck real good but he exceeded himself during this encounter and you can see how that made me feel!"

Of course, you'd need to have been on another planet to not know by now that this lady is rated as one of the wildest wenches to ever pleasure a pecker. Her wholehearted love of lust has attracted vast numbers of men that simply can't get enough of the wicked and wanton activities of this hubba-hubba hostess. "I think the main reason I've been such a success is because sex is my entire life," insists Amy, "I'm constantly trying to find new ways to keep my men hard and horny—whether it's doing threesomes with my girlfriends, or organizing all the events and video sessions I feature in."



Ask Amy what feature most inspires her loyal followers—that peachy ass, those firm 38DD bazooms, those naughty eyes—and the response is more complex. "I'd have to say it's my mind," she smiles, "After all, I could have all of the other attributes but without the filthy thoughts and ideas I get all the time why would it matter? I simply adore my lifestyle and immersing myself wholly in any type of sex.

"That's a quality not all women have—or if they do they don't actively pursue it like me. Because I never stop wanting it or thinking about it that makes me totally honest—my men know that any time they think I've taken the action to another level I'll always be trying to go one step beyond that. I love to have men enjoy what I've got to give...as young Bo found out first-hand!"

Gent HUMOR

These three chicks met up at the coffee shop and were soon discussing their respective boyfriends. "Y'know, it's real weird," said one, "But Billy's balls are always as cold as ice when I'm sucking his dick..."

"That's so *freaky*!" exclaimed another, "It's exactly the same with my Jimmy!"

The two of them turned to their friend. "What about you?" they demanded, "When you blow your man are his balls cold, too?"

"EWWW, that's *gross*!" the girl shuddered, "I *never* put his thing in my mouth!"

Her friends were astounded. "You're nuts," her friends laughed, "You ought to—a blowjob is the best way to keep hold of a man. Go on, try it!"

The girl told them she'd consider it and they agreed to hook up for coffee the next day to find out how things went.

But when they gathered at the appointed time it was plain to see things hadn't gone so well. The blowjob novice was clearly upset and kept sobbing. Finally, her friends calmed her down enough to discover what had happened.

"He left me!" she wailed, "And right after I'd given him that blowjob, too!"

"Why?" chorused her friends in horror, "What did you do?"

"Nothing!" the girl sniffed, "All I did was say how strange it was that his balls were so hot—seeing as Billy and Jimmy's are always so cold..."

Q: What's the difference between a clit and a golf ball?
A: A man will spend fifteen minutes looking for a gold ball.

A motorcycle manufacturer died and went to heaven for judgment. At the gates, St. Peter told him, "As you've been a good man and your motorcycles have changed the world, your reward is to be able to hang out with anyone you want in Heaven."

The man thought for a minute and then said, "I want to hang out with God—I have a question for Him.

So St. Peter took him to the Throne Room and introduced him to God.

"Aren't you the inventor of women?" the motorcycle manufacturer asked God. "Yes, that's one of mine," nodded the deity suspiciously.

"Well, sir," said the new arrival, "As one professional to another—you have some major design flaws in your invention. I think this will explain." And he handed God a list detailing five major problems. God studied it with interest...

__1:__ There's too much inconsistency in the front-end protrusion.

__2:__ It chatters constantly at high speeds.

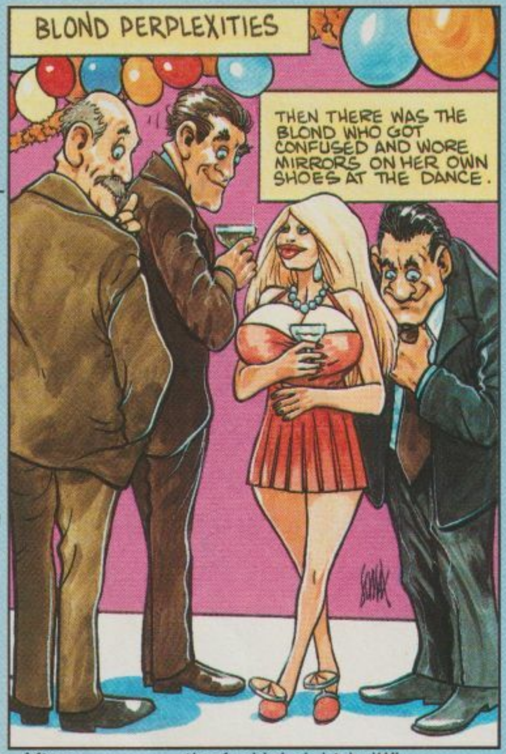
__3:__ Most of the rear ends are too soft and wobble too much.

__4:__ The intake is placed way too close to the exhaust.

__5:__ The monthly down time and aggravation are outrageous, and don't even start talking about the maintenance costs.

"Hmmm, you do raise some good points "replied God after reading the list, "But let me check something…"

God walked over to his Celestial PC, typed in a few things and waited for the results. After a moment God said, "Hmmm. Well, it may be true that my invention is flawed, but according to these numbers millions more men are riding *my* invention than yours!"



BLOND PERPLEXITIES
THEN THERE WAS THE BLOND WHO GOT CONFUSED AND WORE MIRRORS ON HER OWN SHOES AT THE DANCE.

An old lady wanted to take the remains of her cat to the pet cemetery. It so happened the bus route went nearby so she waited patiently at the stop until the bus pulled up. Figuring it best to find out whether it was allowed to carry animal remains via the transportation system, she leaned over toward the driver as she paid the fare and whispered: "By the way, driver, I have a dead pussy."

"Then sit there, lady," replied the driver, indicating a woman in the seat behind him, "Next to my wife. You and her have a lot in common."

This guy walks into a bar with a pet monkey perched on his shoulder and orders a drink. While he's drinking, the monkey jumps onto the counter and starts cavorting. First it grabs some beernuts and eats them. Then it snatches up some lemon slices and eats them. Finally, it jumps onto the pool table, grabs the eight-ball, sticks it in his mouth and swallows it whole.

Enraged, the bartender screams at the monkey's owner. "Hey bud? You see what your fuckin' monkey just did? He ate the fuckin' eight-ball!"

"Ahh, *shit*!" sighs the man, "The little bastard eats everything in sight. There's no stopping him. All I can do is apologize and pay you for the eight-ball." And sure enough, he dutifully settles the bill and leaves.

Two weeks later the man walks in again, still with the monkey in tow. Within minutes the monkey is running amok—until it finds a stray cocktail cherry lying on the counter. The monkey grabs the cherry, inserts it in his ass, pulls it out and then eats it.

The bartender is more disgusted than enraged this time. "Did ya see what your goddamn monkey did *this* time?" he yells, "He stuck a cherry in his asshole, pulled it out and *ate* it!"

"Doesn't surprise me," shrugs the man, "He still eats everything in sight, but ever since that eight-ball he measures it first!"

A female braincell landed up in a man's head by an error of nature. She looked around but it was empty and quiet.

"Ummm…hello?" she cried, but got no answer.

"Is anyone here?" she cried a little louder, but still no answer.

The female braincell felt alone and scared and yelled at the top of her voice: "HELLO, IS THERE ANYONE HERE?"

Then she heard a very faint voice from far, far away...

"WE'RE DOWN HERE..!"

WINDY LEIGH

BACK TO HER BREAST!

When word reached *Gent* HQ that Windy Leigh was planning a return to modeling after a two-year hiatus, we naturally jumped at the chance to commission some brand-new material on one of the nation's favorite feature foxes. And we're mighty glad we did, as Windy's not only looking as fine as ever she did, she's also boasting a decidedly naughtier streak—or so she claims!

"Just because I wasn't around for a while, doesn't mean I was living on Mars!" Windy declares, "I kept in touch with the scene. Of course, I have my website and that's a great way to keep up with the latest trends. I enjoyed my break—after being on the road and constantly working for so long it was fantastic to relax and spend time on myself. One of the main things I did was to finally leave Pittsburgh. It's my hometown and I was sad to leave, but I really needed a change of scenery. And it's not like I'm a million miles away—I've only moved to Altoona, after all. I have much more space where I am now—which is pretty important when you're as energetic as I am!"

But the novelty of relocation soon started to pall for this notoriously hard-thrusting honey, and it wasn't long before she found herself longing to get back to doing what she does best—whipping up an admiring crowd into a frenzy with her raunchy routines. "I have to admit that after a time I did start feeling restless," confesses Windy, "So I decided to get back to dancing full-time and hope the world hadn't moved on too much since I left it. I'm delighted to say it hasn't—people seem really pleased to see me, which is *so* gratifying!"

A hearty amen to that. So did Windy find it a strain maintaining that sublime 38DD-25-35 figure away from the spotlight? Not surprisingly, she takes mild offense at the question. "I haven't changed one bit since I was working last!" she scolds us, "When you dance as much as I do, your figure stays in shape anyway. Plus I always take care of myself whether I'm working or not. I wasn't lying around eating pizzas and burgers all day. I make sure I get plenty of exercise, believe me—especially the best kind of workout you can get and that's sex. You know, that was something it used to be hard to find time for with such a busy schedule. And I made up for it during my break. Believe me, did I make up for it!"

Gent HARDCORE BOOB TUBE

THE SWEETEST TITS AND HOTTEST PORN ON VIDEO!

DOUBLE DECKER SANDWICH #2

Cast: Devon Michaels, Holly Body, Vickie Vogue, Nikki Veil, Mason Storm, Sheridan, Brooke, Vicki Vette, Victoria, Katie Kaliana, Alicia Rhodes, Britney Skye ***Director:*** Sammy Sixx ***Distributor:*** Zero Tolerance ***Rating:*** ✓✓✓✓✓

Want to know what's better than getting to bang a hot, super-stacked broad? Getting to bang two of them at the same time. And in each of the six scenes in *Double Decker Sandwich #2*, one lucky dude gets sandwiched between two hot sluts and their massively enormous love pillows.

The first scene stars Devon Michaels and Holly Body, both of whom have been around the adult industry for a number of years. But while Devon has only made a smattering of appearances over the years, Holly was a well-known name during the 90's. Then she disappeared.

Both of these girls, however, are back with kickass super tight and tone bodies. These sluts don't just have enormous curves around their chests and asses, they have curves around every muscle on their arms, legs and butts. And once they show off all of those curves during a double striptease, they do it all over again for some dude who's been waiting for them on a couch inside.

Holly takes her massive titties and swats them back and forth across his face. Those things are practically weapons. Then she bends over as she peels down her panties and the dude grabs her asscheeks with both hands. He spreads them, then thwaps those buttocks back and forth against each other.

The girls give the dude an enthusiastic double blowjob that climaxes when he picks Devon off the ground, flips her upside down and licks her cooch while she continues to suck on his cock. Holly, meanwhile, gets underneath and licks his balls.

The girls take turns getting fucked in a few positions. And Holly takes it in the ass, furiously rubbing her clit through most of it. Her face turns bright red and Devon coaches her along. And when the dude pulls out of Holly's ass, Devon

puts her face in her crack.

Vicky Vette is a hot blonde bimbo. Brooke is a cute young slut with enormous all-natural taters that undoubtedly get her whatever she wants out of life. These two bone-raising honeys flank Kurt Lockwood and immediately go to work on his tool. Brooke then sits on Kurt's face. Then she sits on Vicky's face while Vicky gets fucked. And when Brooke gets her pussy slammed, her mammoth gazongas jiggle like freshly filled water balloons.

Other than these babes' fantastic racks, the best part of this scene is when Lockwood puts Vicky's arm behind her back while he bangs her doggy style.

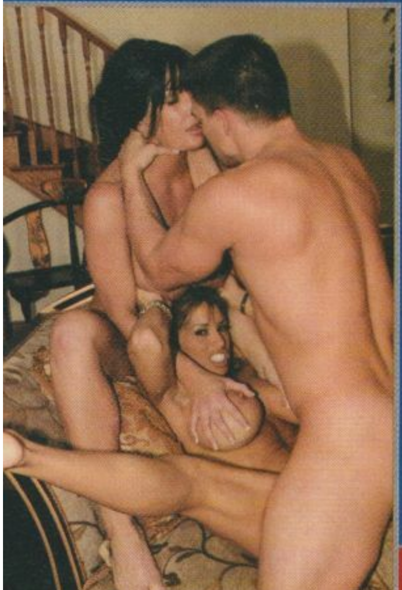
Victoria and Katie Kaliana are two petite, curvy gals with tight, fake hooters. They shove their fat tits in some dude's face, then take turns sucking on his cock. At one point, Katie grabs Victoria by the head while Victoria is sucking cock. The girls then take turns riding the dude's cock and their plump asses bounce up and down. In the end, Katie gets fucked hard in the ass and Victoria gets splattered with jizz. Katie licks the spunk off of her.

In the next scene, Mark Wood gets sandwiched between Vicki Vogue and Nikki Veil, two broads that look like they came straight out of a 1980's Sunset Strip metal video. Their big floppy fake titties bounce like sacks as they ride Wood's cock.

Mason Storm is an ultra-hot brunette with a petite frame and big fake hooters. Sheridan is a full-bodied blonde with all-natural titties that hang. The girls slowly strip each other naked, then sandwich one very lucky dude.

Hot young blonde, Brittney Skye, and Alicia Rhodes start off Mark Davis with an impressive double bj before moving on to more strenuous things.

Of the twelve massively stacked broads in *Double Decker Sandwich #2*, only three of them—Brittney Skye, Vicky Vette and Alicia Rhodes—have had any real kind of exposure on video in recent years. The other nine might as well be unknowns. And that definitely works in this video's favor. There are plenty of girls who continually get recycled in the big tit business, so it's always nice to see fresh faces.



NASTY NYMPHOS #35

Cast: Ander Page, Olivia O'Lovely, Taylor Lynn, Melanie Jagger, Giovanna (aka: Ohio), Amee Donovan ***Director:*** Christopher Alexander ***Distributor:*** Anabolic ***Rating:*** ✓✓✓✓✓

Nasty Nymphos #35 is of particular interest to fans of big-breasted Latina broad Olivia O'Lovely. She supposedly performs her very first scene in this gonzo flick. She is also of particular interest to director Christopher Alexander who sits her down and interviews her for a good few minutes before her scene.

Olivia talks about her marriage of seven years and how she and her husband used to share other girls. So although she's performing her first ever scene (and anal too!), she's no sexual novice. And that becomes readily apparent as soon as her scene with Erik Everhard begins. First of all, the girl sucks cock like a pro. But it's most apparent when Everhard starts getting nasty. The turbocharged sex is, apparently, something she's well used to. And that's a good thing, too, because Everhard fucks like the Energizer Terminator. He puts Olivia on her back, presses her knees back towards her chest and pounds with the kind of energy and fury few dudes possess—especially when they fuck so many broads day in and day out. Doesn't this dude ever get tired?

Anyway, Olivia ends up riding Everhard like a cowgirl, bouncing her thick ass on his lap and smothering his face with her huge titties. Then he puts her face down on the floor and slams her from above. And in the end, Everhard squeezes his cock into her ass—for three different positions. Olivia certainly earns her paycheck.

Taylor Lynn is a sexy young blonde with fat, all-natural titties that she palms with both hands, squeezes together and jiggles around before her scene begins. She then jumps up and down on the bed, spanking her own ass as her titties flop all around.

When John Strong arrives, Taylor gets on all fours and wraps her lips around his dick. And after he starts fucking her

GONZOMANIA #2

Cast: Ciera Sage, Ava Divine, Julie Night, Cailey Taylor, Jynx ***Director:*** William H. ***Distributor:*** Elegant Angel ***Rating:*** ✓✓✓✓

Gonzomania #2 is jam packed with desperate young sluts willing to do just about anything. And director William H. takes full advantage of it. Whatever these girls will let him do to them, he'll do just a little bit more.

Ciera Sage has medium-sized fake titties that get unleashed at the outset of the scene. And she looks super young because she has braces on her teeth. Most guys would probably be pretty gentle about sticking their cocks inside of her mouth with all of that metal going on, but the black dude that shows up to stuff her face throws caution to the wind. He rams his cock down her throat until Ciera is foaming at the mouth. He groks her in the face with his cock and drools down her throat.

The dude then grabs a fat dildo and stuffs it in her mouth while he proceeds to fuck her in a number of different positions. He tweaks her nipples, sticks his fingers in her mouth, has her lick his butthole and then spurts on her tongue.

The real star of this flick, however, is Ava Divine. This girl has bowling ball-sized tits and a sexual attitude nearly unmatched in this business. There is simply nothing a guy can't do to her—because she wants it all done. If there was a Guinness World Record for doing it all, she'd be going after it.

When Ava takes out those enormous taters, that's only half of the story. Sure, they look great and seem to instantly transform her into a sexual dynamo. But you just gotta see this babe with a cock in her mouth. Ava was designed to suck cock. It's like she was created with a pussy on her face.

So Ava takes it from two dudes who fuck her face, drool all over her, manhandle her titties and shove their butts in her face. Then they take turns fucking her in the ass. And in the end, Ava gets DP'd. During the DP, Ava

pussy for a while, Jon Dough shows up and puts his dick in her mouth. They fuck in a couple of positions before Strong buries his cock in her butt. When he pulls it out of her butt, he sticks it in her mouth. And in the end, Taylor gets DP'd.

Melanie Jagger is another young 'un who has big all-natural boobs. She squats down to suck on Bobby Vitale's thick cock, and Vitale acts the heel while she has her mouth stuffed with his cock. Then he fucks her in the ass and Melanie performs quite a few nasty ATM's. In the end, Vitale sits on Melanie's face so she can lick his asshole.

He also teabags Melanie when he strokes himself to climax.

Jon Dough and John Strong return to double-team Giovanna, a shy, 20-year-old blonde who had only done 17 guys (in her whole life!) before shooting this scene. Her boyfriend thinks she went to Los Angeles to model bikinis. Little does he know that John Strong is covering her eyes with his hands as Jon Dough stuffs his cock down her throat. Nor does he know that she's getting manhandled like a trashy slut while she gets fucked in her mouth and her pussy simultaneously. And he *definitely* doesn't know that two strangers sprayed their jizz all over her face, bounced their cocks off her face and she begged for more. Does he know she's a slut? He does now.

Ander Page is a bratty, stuck up brunette whore who gets treated deservedly by Mark Davis. He mauls her and fucks her in the ass. And in the final scene Amee Donavan unleashes her blimp-sized all-natural balloon boobs so Lexington Steele and Erik Everhard can wrap them around their dicks. They DP her and make her fat tits shake wildly.

Most of the chicks in *Nasty Nymphos #35* have fantastic, big taters. What's more is that they get fucked by ultra-professionals. Good, solid, full-on, nasty sex.

tells the guys to tell the camera what a "bitch" she is. She loves it.

The real scorcher of this flick, however, is the scene in which Julie Night takes on four different dudes. It's just too bad this submissive little tramp is so flat chested, because this girl takes it all and then some. The four dudes fuck her face, maul her with a vengeance and then cover her with spunk.

Cailey Taylor wears bright pink and has big fake titties. This slut delivers an expert blowjob to just one tattoo-covered guy. Then he bangs her tight little pussy and squeezes her fat tits with real vigor. They fuck in a few positions before she gets fucked in the ass.

Jynx is a punker girl who has a string of lights wrapped around her neck and is taken around the Elegant Angel offices on her hands and knees with a big slutty grin on her mug. She smiles and obeys as William H. orders her about. William eventually leads her to a couple of guys who are waiting for her with stiffies in hand. When she reaches them, they ding her in the face with their cocks and palm her ass. Jynx eagerly alternates back and forth between each cock.

Jynx, too, gets plenty of man ass shoved in her face. And throughout the scene she gets constantly manhandled. Director William H. certainly knows how to shoot it naaaasty.

Although this flick is just a tad short on big tits—other than Ava Divine and Cailey Taylor—it's still got enough extreme sex to keep things more than interesting.

BIG NATURAL TITS #9

Cast: Michelle Wild, Bellissima, Melons, Wendy White, Daria Glower, Jennifer, Sindy Shy ***Director:*** Christoph Clark ***Distributor:*** Evil Angel ***Rating:*** ✓✓✓✓✓

Once again, director Christoph Clark returns with the Video of the Month. His *Big Natural Tits* series is an icon in the world of big boobs, and this latest installment does nothing to disappoint. There is nothing standard about this video, or this series. Every scene is unique. Every girl is a hot, fuckable slut. And they always get fucked by ultra-professional dudes who put forth such effort it seems like it might be the last time they'll ever get to fuck a girl.

Clark puts his girls at ease before their scenes, and exudes his own ease with being perverted. Clark makes them feel OK about being perverted whores and gives them the full go-ahead to be as nasty as they want to be on camera. They take that cue and run, because these aren't stuck-up, money-grubbing American whores who think they're too cool for school and who keep their eyes on the clock while they've got a cock in the ass. Nope. These are European ultra-sluts who likely are this nasty off camera as well.

Dark-haired Michelle Wild graces the cover of the video box and stars in the first scene. Clark finds her dressed like a businesswoman, standing on the balcony of some nice house, enjoying a warm, sunny day. She strips out of her clothes as Clark playfully teases her. And everything about her body is absolutely perfect. She has perfect curves. Perfect skin. Perfect full, perky, huge tits. And a plump, squeezable ass.

Let's not forget her great fuckable attitude. Michelle gets flanked by two Eurodudes who caroom their cocks down her throat and titfuck her. They toss her around like a fuckdoll, and she gives it all right back, slamming her ass down on their waists with loud slapping noises.

And, of course, they fuck her in the ass. Then they DP her.

Melons and Bellissima are both slightly plump sluts, but they've got giant all-natural taters to match—especially Melons, who *Gent* readers will doubtless recognize as our hot Polish find Kiva. This girl has floppy funbags that get manhandled from the word go. These two sluts each find a dude at an auto garage and give themselves completely. The dudes totally take advantage. While one slams Melons, he grabs Bellissima, pulls his cock out of Melons' twat and shoves it into Belllissima's mouth. Meanwhile, Bellissima is bent over, taking it in a standing doggy with her big tits flopping back and forth. Both girls end up taking it up the butt. And Bellissima gets DP'd for a long time.

Wendy White is a blonde who has yet another set of unbelievably massive cans. Wendy gets double teamed at the base of a tree house. The dudes put her on her knees and tit fuck her thick hanging boobies. Then they bend her over, start banging her and make those immense mammaries shake like a Polaroid picture.

Throughout the scene, the dudes keep squeezing her tits hard. And when they're not squeezing those giant melons, they buff their dicks on their smooth surface. Wendy seems to love every minute of it.

Big Natural Tits #9 ends with a wild three-on-three group sex scene. This is where the video really sets itself apart. The fourth and final scene is a pure free-for-all mini-orgy. It's the kind of scene that simply isn't found in any other big tit flicks. And these three girls in the end basically get fucked every which way but loose.

Watch this video. No, really. Watch it.

DOUBLE PARKED #6

Cast: Vicky Vette, Camelia, Katja, Olivia O'Lovely, Jessica May, Gina Blonde, Anna B. ***Director:*** Alex Ladd ***Distributor:*** DVSX ***Rating:*** ✓✓✓✓

Director Alex Ladd is a lucky dude because her gropes just about every girl who steps in front of his camera lens. And in the case of *Double Parked #6*, there are a lot of hot sluts for him to play with.

The first babe is the generously stacked Vicky Vette. This blonde slut begins her scene by herself, stroking her bare pussy by the pool until Ladd shows up with a couple of dildos. He DP's her holes as a warm-up and then sends in a couple of guys to surround her with cock. The dudes clop her in the face with their dicks and then start fucking her.

But the pussy fucking doesn't last long—just one short position—before Vicky gets completely double parked. These two dudes double penetrate her for a good long time in a few different positions. At the beginning of the scene, Vicky claims that instead of a pussy and an ass she has two pussies. Well, these dudes treat her body accordingly—then spurt on her face and ass.

Olivia O'Lovely is another buxom broad who gets DP'd in this flick. She's a Latina babe with huge fake hooters, a big tight J-Lo booty and a very accommodating sexual attitude. Ladd starts her off on her hands and knees and peels off her panties so he can spread her asscheeks apart. Ladd opens up her pussy like a doctor who ought to have his license revoked and sticks the lens deep into her hole. And when she takes out her huge tits, he grabs them with both hands.

Like he did to Vicky, Ladd DP's Olivia with two dildos and then sends in a couple of dudes to finish the job. This chick's body was just built to fuck. Whether she's sucking cock, taking it from behind or getting two cocks shoved in her two tight crotch holes, everything just looks like it fits with complete ease. And she looks damn good with a face full of spunk, too.

Gina Blonde and Anna B. are two foreign blondes with funny accents and slutty attitudes. They tongue kiss each other while two dudes lick their buttholes. But what's most impressive about the scene is watching big titted Anna B. get double penetrated. This broad looks so classy with her well-coiffed hairdo and jewelry. Nevertheless, she gets put on her back, spread wide open and the two guys park their tools deep inside both of her holes. Then Gina gets similar treatment.

In the end, the girls put their faces together, stick their tongues out and beg for the guys' jizz.

Camelia is an olive-skinned slut with floppy titties and creamy skin. She begins by putting her finger in her butt. And she finishes by getting DP'd for what seems like an eternity. She'll be walking funny for a few days.

Jessica May looks like she's fresh off the bus from middle America. She giggles uncontrollably when Ladd puts the camera on her. He asks her questions and she just can't muster a response. She just giggles, keeps her legs crossed and stalls for time.

Eventually, the clothes start coming off and shy Jessica begins to open up. Well, she really opens up when the dudes spread her open and stuff her pussy and ass with cock.

The only thing missing form *Double Parked #6* is more big breasted babes. But the scenes with Vicky Vette and Olivia O'Lovely are certainly worth it.

VOLUPTUOUS #4

Cast: Shay Sights, Cailey Taylor, Monique Dane, Felicia Fox, Sara Jay, Brittney Skye, Austin O'Riley ***Director:*** Michael Adam ***Distributor:*** Metro ***Rating:*** ✓✓✓✓

Seven babes, each with giant cans, star in the fourth installment of the *Voluptuous* series. Most of the scenes are just one-on-one boy/girl fare. But one scene, starring Brittney Skye and Austin O'Riley double-teaming Mark Davis, turns out to be a very steamy threesome.

The formula is pretty standard. Each girl dances and strips for the camera before her scene. Then she gets fucked. No messy dialogue. No fussy plot. Nothing stands in between the viewer and the hardcore.

First up is Shay Sights, an undeniably voluptuous slut with enormous fake hooters and an statuesque Amazonian bod. Mark Davis puts her on her back and buries his face in her pussy and her asshole for a long time, making her plenty wet. Then she lubes up his cock with her spit and strokes it while rubbing it against her gigantic tits. Then they fuck in a few positions, and Shay looks particularly good during doggy when her face is buried into the mattress.

Shay finishes the scene riding Davis like she's at the rodeo, her titanic taters flopping around like crazy. And in the end, her silicone lips and silicone tits get gooed by Davis.

Cailey Taylor's giant tits look like they're fresh out of the doctor's oven. They're big and round and attached tightly to her chest. Those huge tits complement the rest of her tight and tone body very well. And it all looks even better when porno pirate Brian Surewood arrives to plunder her pussy. He licks her up and flosses her pussy with her panties. Then he buries a finger in her butt and plunders her booty.

But Cailey's true talents shine during the blowjob. The girl is simply a fountain of spit and Surewood just lies back and enjoys it as her spit drips down his shaft, his balls and collects on the mattress. Cailey then gets a well-earned fucking. Surewood puts her on her side, lifts one leg into the air and licks her hooker high heel shoe as he slams her box. Then he pokes her in the butt.

Felicia Fox and Monique Dane lick each other's gashes in the next scene. Felicia is a brunette with big, natural knockers. Monique is a very pretty stripper blonde with huge fake funbags. The girls spread each other open, lick each other up and then plunge fat dildos inside of one another.

Sara Jay looks like a biker babe. Whatever she is, she has bada-boom written all over her chest and bada-bing all over her plump ass. This girl has giant love pillows on her chest and a big giant love pillow for an ass. And when Mark Wood spreads her open, she shows off a tiny, little pink pussy. These two fuck in a few positions and Sara ends up with her chest splattered by man batter.

Blonde bombshell Brittney Skye and Austin O'Riley team up on Mark Davis in the next scene. And Brittney is just dripping with enthusiasm and sexual energy. As Brittney starts manhandling Austin, Davis starts manhandling Brittney, treating her sternly at the very outset of the scene. Apparently, he's the boss, you know.

While Davis works out his issues Austin licks and fingers her pussy. Then it's Austin's turn. Davis buries a few fingers in her butt, then shoves those same fingers in her mouth. But things get cranked into overdrive when Brittney sits on Davis's face while the two girls pass his dick back and forth between their mouths. Hot stuff.

The girls then get fucked. Austin takes it in the ass. And they all live happily ever after.

TITTY FICTION

BY CHRISTIAN SANDS

Rick huffed and puffed his way past the park gates and down to the intersection of 33rd and 4th, ever closer to the favorite part of his daily run. For the past two weeks a busty beauty with a halo of lustrous mahogany curls and bright red lips had been sat in the window of a basement apartment skimpily dressed and usually nursing a coffee. Every morning as he passed at a slow steady jog she'd look up and smile. It zapped him with an instant boner each time, thinking about that sexy pout and—especially—those fantastic tits wrapped around his dick.

He reduced his pace as he neared the window in question—inclined his head to the side and lowered his eyeline. Would she be there this morning? Would she look as gorgeously voluptuous as always?—

HOLY FREAKIN' SHIT! Rick looked down and realized she was naked save for a magazine obscuring her breasts. She looked up and flashed him a broad sexy grin, letting the magazine fall into her lap. Her tits were big juicy soccer balls of milk-white flesh topped with ripe-cherry nipples. Rick couldn't turn his head back to look at where he was going in time and consequently never saw the streetlight directly in his past. He was vaguely aware of a percussive KLUNNNNG! as his head connected with cast-iron. Rick bounced off it like a reeling drunk fighting invisible enemies. And gravity too, which wasted no time reminding him of its power. The sky swirled then went black as Rick crumpled inelegantly onto the sidewalk.

"OH MY GOD!—are you all right?"

Rick opened his eyes. The buxom brunette was leaning over him like some outrageously-boobed angel. A skimpy red satin bathrobe struggled to contain her curves. His eyes struggled to focus, then he realized that he could see all the way up the satin folds and got an eyeful of dark pubed pussy, pink petals sticking out invitingly. Despite his recent concussion his dick twitched like a pocket maniac in his shorts. Looking her in the eye was a major effort.

"Umm...sure I'm OK," mumbled Rick. He tried to stand, failed and staggered up against her. "Sorry, I'm kinda...dizzy, y'know?" he slurred. Her perfume filled his nostrils, heady and seductive. He wanted to nuzzle into her chest and fall asleep.

"Hell no—it's me oughta be sorry. Come down to my apartment and I'll fix you a drink," she drawled in a Georgia peach accent. Supporting him anxiously, she escorted Rick down the steps to her street door and into her dark lounge room. She settled him on the couch where Rick soon passed out again.

He came to God knows how long afterward, roused by a feeling that led him to suspect he'd really scrambled his brains against that street light. Only that could explain why he could see the brunette crouched over his rigid dick, breathtakingly naked, her lips toying with his twitching mushroom-cap. Fuck, what a view! Her sweet perfect face before his dick, wet pink tongue flicking from her scarlet-painted lips to lap his jerking dick-head.

"I figured this might bring you back..." she said, "You were out cold for real!" She took his cockhead in her mouth and sucked it up to its full-blooded potential.

David let out a low moan, felt the softness of her mammoth tits pressed up against his balls and wondered if he was hallucinating.

Her lips roved his length, nibbling and sucking so gently Rick felt the hairs on the back of his neck stand up. Hell, everything about him was erect! She looked up into his eyes before engulfing his shaft deep down into her throat. "Lord in heaven!" Rick cried as she kept on sucking, "What did I do to deserve this?"

She released his tool from her mouth, a ring of red-lipstick staining its base. "Let me tell you something," she breathed, "See, I've been watching you for weeks now—and I'm always frigging myself off after you run by. Did you realize I could see right into your shorts from down here?"

"Damn! And I thought I was the only one getting a great view," Rick mumbled, sitting up and reaching forward to clutch those fantastic breasts. She kissed him, the

> "IT WAS LIKE SHE COULD READ HIS HOOTER-OBSESSED MIND. SOPHIA TOOK HIS HANDS, PINNED THEM ABOVE HIS HEAD AND PUSHED HER CHEST INTO HIS FACE, FORCING HIM TO BREATHE IN HER SWEET BREAST-MEAT. HIS TONGUE FLICKED OUT TO LAP AT THE SWEAT AND PERFUME, INHALING HER INTOXICATING AROMA, WANTING TO DROWN IN HER DEEP CLEAVAGE..."

slight saltiness of his oozing dick on her tongue. She moaned as he pinched her nipples into hard cones, cried "oh, as he took one in his mouth and suckled at her perfumed skin. She wrapped one cool hand around his dick and the other slowly massaged his tight balls.

"I don't even know your name," he whispered.

"It's Sophia," she said and pushed him back onto the sofa, "And right now I'm going to fuck the crap outta you like I've wanted to for so damn long!"

"Fine with me—I'm Rick by the way," he informed her as she swung a creamy thigh over him.

"Well, it's real nice to meet you, Rick—" Sophia sunk slowly down onto his cock, her tight pussy stretching to accommodate his big thick dick, "A real pleasure..." Her pussy was hot warm heaven enveloping his desperate shaft. "Yes!" she gasped as he reached the very top of her, wiggling her hips to get comfortable on him before gently rocking back and forwards, her hairy pussy rasping on his balls.

Her pale knockers looked momentous before him. Rick reached up to play with them, taking big handfuls and squeezing them together, knowing he'd have to give them a balling as the fleshy mounds wobbled in his hands and tried to escape his grasp every time she moved. Whoever said any more than a handful was a waste was an idiot, he decided. Sophia had to have four generous handfuls of doughy tit at least and Rick intended to savor every inch of them.

It was like she could read his hooter-obsessed mind. Sophia grabbed his hands, pinned them above his head and pushed her chest into his face, forcing him to breathe in her sweet breast-meat. His tongue flicked out to lap at the traces of sweat and perfume, inhaling her intoxicating aroma, wanting to drown in her cleavage's depths.

Sophia pulled away then pushed one of her fat juicy nipples to his lips. "Suck it, Rick!" she commanded. Rick moaned and took it between his teeth, gently exerting pressure as he sucked it to rock-hard tautness. Sophia moaned loudly, "Yeah that's right, chow down on it! Don't be gentle with me!" Rick did as he was told until she pulled away, riding him hard and cussing loud. Rick tried to hold back the sperm in his balls as she bucked to a momentous orgasm above him.

"Holy fuck!" she cried then started to laugh. "How did you like that, huh?"

"I liked that just fine," Rick's cock jerked away inside her in firm agreement.

"What do you say we go somewhere more comfortable?" purred Sophia. "Where I can fuck your brains out properly?" Rick nodded agreement. She led him into a bedroom full of framed pictures of herself—naked. Rick had a hard time knowing where to look until Sophia maneuvered him onto the bed and climbed back onboard, this time facing away, lowering herself slowly on to his skyward pointing pole. He watched her abundant but perfectly rounded ass slide down until it rested squarely astride him.

Sophia moved slowly up and down his shaft. She was so wet Rick could feel her box bubbling around him. She reached forward and grabbed his ankles, spreading her legs wider, settling his pole deeper inside and treating him to a grade A view of her puckered rosebud of an asshole winking invitingly at him. Rick groaned—it was just too damn

"SOPHIA SQUEEZED HER BREASTS TOGETHER LIKE AN OFFERING. RICK DROOLED AS MUCH SALIVA AS HE COULD MUSTER INTO THE CHASM OF HER CLEAVAGE THEN CLAMBERED ON TOP OF HER, PRESSING HIS POLE DOWN INTO THAT FLESHY CANYON. IT VANISHED INTO HER TITTIES, HELD TIGHT AND WARM. RICK GROANED IN AWE AT THE SEXY SIGHT BENEATH HIM..."

tempting.

He sucked at his index finger then gently pushed it against her brown-eye. Sophia moaned loudly and pushed her ass back at the finger. He slid it in slowly against her tight muscle and wiggled it around in there. The deeper he pushed his finger into her ass the harder she fucked on his cock.

Sophia wailed as she beat her ass down against him, squeezing his balls with urgent kneading fingers. Fuck, she was hot thought Rick—taking charge was impossible as her hot juices gushed out of her pussy and dripped onto his nuts, gluing them together with the hot fluid.

He knew he couldn't last for much longer. Rick twisted out from under her and climbed on top.

"My turn to be in control, babe," he said. He fed his dick back inside her hot box with no resistance. He let it just rest there as he put his mouth to her delectable titties to give them some proper oral attention. Sophia gasped as he pampered her thick rubbery stalks. "Mmmm yeah, suck 'em!" she babbled, delirious with desire. His tongue traced the delicate blue veins from her nipples to the sweaty underside of her huge boobs, dark and meaty. His cock was pulsing away inside of her as she fucked him using her muscle control alone. "You're killing me," he warned, taking his dick out "You'll just have to wait."

Returning his attention to her nipples he sucked them in turn to identical deep red pegs. They were amazing, prominent nubs perched atop ivory jello mountains. "All we need for this to be a perfect picture," Rick leered, "Is my dick nestled between them.".

"Hmm, let me guess," she giggled, "Now you're going to complete that picture?" Sophia squeezed her breasts together like an offering. Rick drooled as much saliva as he could muster into the chasm of her cleavage then clambered on top of her, pressing his pole down into that fleshy canyon. It vanished into her titties, held tight and warm. Rick groaned in awe at the wondrous sight beneath him.

Slowly he started to fuck her jugs, letting his dick reveal itself to her plump pout as he thrust forward. Sophia's eager tongue flicked out to meet the swollen head. She smiled as she tasted herself on him then inhaled his cock all the way into her mouth before letting it slide back out and begin the return journey into her mammary mass. Sophia stared down mesmerized as his dick disappeared, keenly awaiting her next chance to suckle.

Her lick lubed crevasse bestowed sublime friction around Rick's dick, sucking at him as he pounded amid her incredible endowment. He thrust himself toward her lips faster. She pushed her tits tighter together, intensifying their hold on him. Rick's nuts were constricting. "I'm going to cum all over your pretty face!" he warned her.

"Fucking do it!" she challenged him, "I want to taste your stuff!" Sophia stretched her lips wide just in time to catch the first thick globs of his love custard, the rest of it spraying all over her face and collecting in her curly hair. "Mmmm, lovely!" she sighed as she swallowed, "But is that all I get?"

"Well, I dunno," Rick shrugged, "Why don't you suck me hard again and I'll fuck you real good..." He relaxed and watched her nurse his wilting dick with a series of firm sucks and lots of ball-squeezing. His eyes scanned the pictures on the bedroom walls—Sophia in leather, in lingerie, naked and even playing with another girl. She was a fox and then some! Her private pictures quickly brought his dick back to full engorgement.

Rick dreamily focussed on this one picture of her in a tightly-laced white corset, titties pushed high up beneath her chin like some medieval wench. Sophia was a fantasy girl, adaptable to whatever sexy scenario you could summon up. He let her carry on blowing him even when he was hard enough to fuck her because it felt so fucking divine. But soon he couldn't take it anymore and told her to get on her knees before him.

She was so sloppy, her orgasms collected and bottled inside her pussy. "How about I fuck that tight ass of yours?" Rick asked her. He didn't give her time to reply before nudging his dick up against her bunghole. "Oooo, yeah!" she moaned, "I want to feel it in my ass!" She pushed back, his plum popping inside the muscled ridge making them both shudder.

Rick soaked his dick in her cunt dew before slipping it in her backdoor once more and inching it in slowly, spreading her asshole wide enough to take all of him. Sophia moaned lower, a different tone than when her pussy was being fucked. Catlike, her back arched up as Rick leisurely nailed her butt. She moved in rhythm with him, trying to up the pace, sinking her shoulders onto the bed with her

ass pushed way up high. Rick grasped her pillowy buttcheeks and splayed them wide then slammed deep into her. She cried out in passion. "Yes! Good and hard!" she blurted. Rick withdrew to do it again, with more power this time.

And Sophia came wildly through her ass, squirting pussy juice onto the bed, screaming out for him to fuck her hungry ass harder. She was gripping him inside so tight it was a task to cram his dick into her tight anus—finally achieving it made him grunt with satisfaction. "Fuck my ass, fuck my dirty butt!" Sophia hissed like some trash mouthed slut. Everything she did revealed her to be the perfect fuck bunny.

Rick pulled out from her gaping bunghole and flipped her over, spreading her legs wide. Then he pushed his cock back up her ass so he could watch those gigantic flesh bulbs wobble while he gave it to her. He grabbed hold of her tits and squeezed them up hard like the corset in the picture did so they were just under her chin. Sophia wailed and moaned with delight, cursing with that pretty red-smeared mouth.

" I'm gonna cum up your butt," Rick warned her as he pounded, "You ready for it? I'm going pump your ass so hard and fill you with my jizz," He fucked her like his dick was nitro fueled, banging his bloated balls up against her, his cock losing control in jerky spasms as she begged him to flood her fudge tunnel.

She clenched her butt muscles tight again, his dick a prisoner in her ass. Rick lost it, blasting his load into her twitching cavity. Once his balls had delivered every ounce they had Rick slumped down beside her. They both lay panting, unable to move. "God damn, lady," Rick told her when he managed to regain the power of speech, "You are one fucking great lay, you know?"

"Gee, thanks!" chuckled Sophia. She rose from the bed, her pretty face flushed pink and glistening with his dried semen, lipstick smeared over her face, and padded into the bathroom. "Hey, I have to get ready for work now, OK?" she called.

"Sure," he replied, "Maybe we can do this again sometime..?" Rick gathered up his clothes, taking his cue to leave.

"So sorry sugar, that was a one-time opportunity," he heard her say. "You see, my husband's back from his business trip tomorrow." Sophia came back into the bedroom and kissed him demurely, "Hey, don't take it so hard, honey," she soothed him, "Take it from me—that was the finest fuck I've had in ages."

"Yeah?" asked Rick.

"Oh for sure—you excelled yourself," smiled the busty dream as she holstered her hooters in a white satin bra, "In fact, you could even say you were a real knockout!"

"HE FUCKED HER LIKE HIS DICK WAS NITRO FUELED, BANGING HIS BLOATED BALLS UP AGAINST HER, HIS COCK LOSING CONTROL IN JERKY SPASMS AS SHE BEGGED HIM TO FLOOD HER TIGHT TUNNEL. SHE CLENCHED HER BUTT MUSCLES AGAIN, HIS DICK A PRISONER IN HER ASS. RICK LOST IT, BLASTING HIS LOAD INTO HER TWITCHING CAVITY..."

HOLLY BODY

Taking a break from our regular programming, Gent discusses homemaking with huge-hootered porno strumpet Holly Body. As Holly--the 5'6", 125 lbs., 36GG-25-35 star of XXX-rated epics such as Welcome to Boobtown, Wet and Messy Big Boobs, Harem Hooters and Busty Pom Pom Girls--welcomes us into her spaciously appointed duplex in West Hollywood, she's happy to share a few secrets on what makes the perfect abode...

"Ideally, I prefer a lot of space," confides the brown-eyed brunette porno legend--recently returned to the hardcore arena after a couple years away, "After all, you tend to need plenty of clearance with a chest the size of mine. There's no need to clutter up surfaces with nick-nacks and trinkets that can be easily knocked over by a large pair of breasts swinging out of control while their owner is being fucked in the ass! Also, comfy reclining arrangements are a must. At home I prefer to be horizontal as often as possible, so nice large couches, divans and beds are essential. You never know when you might be entertaining a guest--or even several guests!"

Our tour takes us through to Holly's bathroom, where the luscious lipped beauty is eager to show us the various tricks her power shower is capable of performing. "I find the jets of warm water extremely soothing," she tells us, spreading her firm thighs to direct the water onto her slick pink poonie, "Especially when directed on my clit. It makes what can be a mundane everyday activity like bathing far more exciting and ultimately relaxing."

Leading us into her kitchenette, Holly supplies a couple tips on successful dining. "I do find I often have quite an appetite after an evening with one or two friends. Entertaining sure does burn up those calories! On the other hand, you don't want to load up on food to the point you can't carry on having fun. A microwave burrito will normally do the trick. It's fast, it's easy and you can get it on while waiting for it to cool. Usually, I like to wash it down with a nice thick protein shake, which my male friends are always more than happy to provide...yummy!"

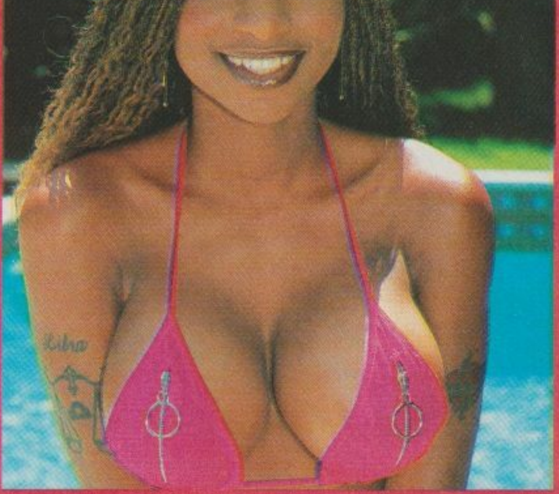
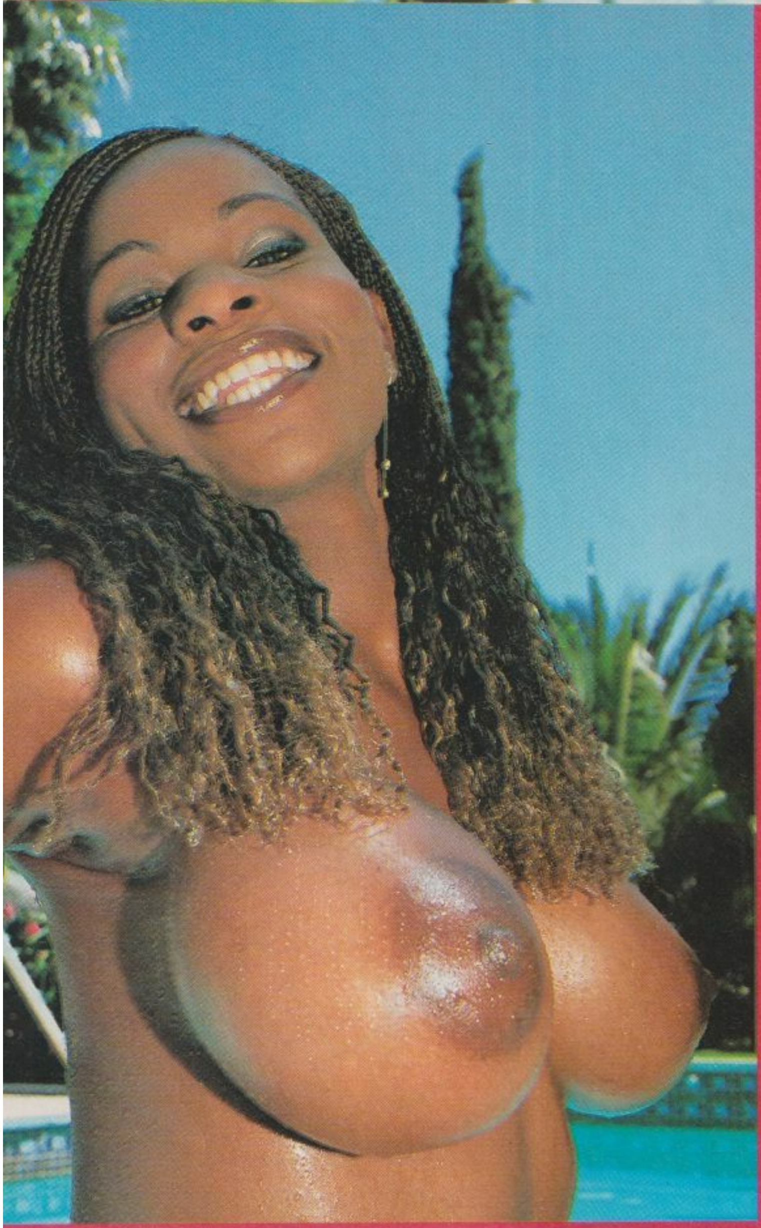
CARAMEL





Caramel is a nasty piece of ass that loves having her thick pink pussy eaten out and her glistening pearl clit teased and jabbed repeatedly by a tantalizing tongue. "My pussy gets all gooey and wet real fast," she candidly tells us, "Some guys that have eaten me out say they never encountered such a sloppy pussy! They don't mind none, though, 'cause they know the wetter they can make me the wilder a fuck I'm gonna throw them. I love to see some guy come up after giving me head with his face all coated in my juices. What I do next is super-nasty--I hold his face with my hands and lick off all my cream and tell him how much I dig the taste. After I do that his cock'll get so hard he can't wait to stick it between my lips!"

Whooo! Caramel's one crazy hoochie all right. The 21-y-o aspiring model and porn slut is rightfully proud of her juicy 34DD-23-35 curves, especially her killer kazoos and those nipple nuggets that round off each majestic mam in such fine style. "I participated in a threeway with another girl and her man recently," Caramel shamelessly tells us, "The chick was a real freak--she ate my pussy and my ass and how she was sucking on my nipples was so hot it drove me nuts. She kept saying she never saw nipples like mine! I guess I have extra sensitivity in my teats 'cause all the attention they got made me as freaky as her. I let her spit on my browneye and steer her man's big dick in my A-hole. Man! I was bugging out my mind with him pounding my ass and her licking at my clit!"

The finale of this tawdry triad demonstrates how wanton this stacked slut can be. "He wanted to bust a nut on my melons, naturally," smiles Caramel as she splays her snizz for our lustful view, "And let me tell you, he did this enormous amount that splashed all in my face and was smeared right over each titty. My nipples were drenched with hot sauce! And that freaky sista didn't waste no time in licking his stuff from off of them. I got off three times just from her doing that!" Caramel smiles broadly and rubs her obviously aroused and swollen clit. "Sometimes I think I'm blessed for sex," she concludes, "Because so many parts of me are incredibly orgasmic! I guess I could've been blessed as a scholar or something, but this is fine for me!"
